Expert Group Members:

These people give direct advice and personal views on many aspects of our working practices. The group have a variety of conditions such as autism, Asperger's syndrome, cerebral palsy and Down's syndrome. Their input in our meetings, as well as key roles in our ongoing drama projects, make their involvement of utmost importance to the relevance and quality of our work.

Notes:

None of the above people share an address.

Elaine Walton (treasurer) is mother of Marc Walton (technical manager).
