About this form

Supporters and Third Party Reporters

Supporter: someone has asked for your help to fill in this **Report it Form**

Third Party Reporter: someone told you or you saw or heard what happened and you want to **Report it**

If someone asks for your help to fill in the **Report it Form** please make sure they can also look at the Reporting Book that comes in the Reporting Pack

This **Report it Form** can be used by the police and the Crown Prosecution Service as evidence so please try to give as much information as possible

If you or the person you are supporting do not want to talk to the police, do not fill in the **Contact me** page. You can still use the form to say what has happened.

What you say may help other people.

If you fill in the form and hand it to the police or other reporting centre and do not give a name you can still help the police, local councils, housing, social support and health services to find out what is happening in your local community.

They are all working together to stop Hate Crime

Supporters

- Send the form to the police **only if** the person you are supporting as victim or witness has said they want the police informed and they have filled in the **Contact me** page
- If the form is not going to the police please make sure it goes to the agency or individual as stated by the person you are supporting and **make sure they keep the record of report**
- If this form has evidence of a **serious crime** then it should be sent to the police for them to look at what has happened. Tell the person you are supporting if this needs to happen and please explain why you think you should contact the police.

Contact me

If you helped someone fill in this form please say how you can be contacted.

It is important you do this in case the person you are supporting wants to tell the police now or in the future. The police may want to talk with you.
