

Evidence for the impact of the Primary PE and Sports Premium funding.

At Brindle St. James' we have always placed a high importance on our PE and sports provision and although we are a small school, we pride ourselves in the sporting opportunities we have provided and the achievements our children have made. We endeavour to give our children opportunities to experience different sporting challenges as they move through school and to develop their talents.

The government's commitment to provide new funding for Primary PE and Sport means that we can develop and enhance our provision in school yet further.

Primary PE and Sport Premium 2019/20

Meeting national curriculum requirements for swimming	2019 - 20
Percentage of current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 meters? (Completed in Year 4 in 2017)	89% (8 out of 9 pupils) Additional lessons offered to the 11% who did not pass.
Has the Primary PE and Sports Premium been used to provide additional provision for swimming over and above the national curriculum requirements?	Yes – For a 6 week block of lessons for all of KS1 and a 5 week block for all of Foundation stage.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
- A new provider for swimming has been established (Brinscall Baths) which now means that the whole of KS1 can visit at any one time. They also have 3 swimming teachers rather than previously 1 meaning that the quality and differentiation of the swimming lessons has improved. - Swimming lessons are provided for all children in the foundation stage, key stage one and lower key stage two. - We significantly improved our school trim trail adding 5 new and more challenging pieces of equipment for the children to access during break times. 30 minutes of physical activity has been offered each day to most children for the past year now through extra lunch time and after school provision. - The after school sports club has been provided for free with places for up to 59% of pupils. - For the second year running we have achieved the gold award for the School Game Mark. - Nearly all children participated in at least 1 sporting competition each year. - Two hours of curriculum PE is timetabled each week for all classes. EYFS children have additional gross and fine motor times using the trim trail, bicycles and climbing frame. - Children have been recommended to join community sports teams based on their abilities such as swimming. - A wider variety of sports have been implemented such as trigolf, lacross and curling. This has already had a positive impact on pupils with some finding a love of sports which they previously did not have.	- Continue to achieve School Games Mark Gold Award each year with the ambition of achieving the Platinum Award. - To improve children's mental health and wellbeing, Lisa Gardner will attend a yoga workshop to look at the feasibility of introducing a yoga and relaxation assembly into our current timetable. - To improve the children's ability to handle disputes whilst playing football, upper KS2 will have training from Miniwhilstlers in referring football matches with a view to introducing a rota for break times. - The focus of lunchtime coaching will be to provide the children with ideas for playground games that they can play when the coach is not there. - Build upon our wide variety of sports by continuing to introduce new ones. - For the sports council to introduce a Friday challenge to inspire the children to compete in a physical activity each week and improve their score. - To review our assessment of PE, how we record this and how this informs our future planning. - To add 2 inviting sport achievement boards (one in the hall and one in the corridor) to celebrate our successes and display our School Sports Mark award. - To reintroduce the sportsmanship award for children taking part in competitions. - To continue promoting external sporting clubs.

Academic year: 2019/20	Total fund allocated £16,572 + £3,931.20 carry over	Date updated: 26/08/2019		
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school				Percentage of total allocation 33.4 % £6,853
School focus with clarity on intended impact on pupils:	Action to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps
To supplement our offer of 30 mins physical activity to most children by inspiring all children to participate in physical activity.	To initiate a Friday lunch time challenge decided upon by the sports council which will be changed each half term such as hoola hoop challenge or who can bounce the ball most? etc.	£198	This happened for one half term however more focus needs to be given to this next year.	To build upon the work started this year and make this into an event which children are inspired to continue during other playtimes.
	To continue our relationship with Blackburn Rovers to provide lunch time clubs Mon-Thu. The focus now is to move to providing the children with ideas for playground games so that they can be replicated when coaches are not present	£4900	Child have experiences a whole variety of sports and playground activities. The children have used these during other playtimes when the coach is not present, therefore increasing physical activity.	This is now well established. Next year the sports council will take over the leadership of this which will include the purchasing and sourcing of a shed and equipment.
	Continue sending home local club leaflets, promoting healthy eating and promoting 30 minutes of regular activity at home as well as school.	£0	Information regularly sent home to encourage children to be physically active outside of school.	Continue with this good practise.
	To provide an hours free coaching to a majority of the school in a variety of sports once a week after school by a specialist coach	£1225	All children had the opportunity to take up a place in the sports after school club except during the Covid pandemic.	This will continue next year as it has been very successful.
	To provide a TA to assist in the delivery of the after school sports so that up to 40 children can attend.	£430	This has meant that we can increase numbers attending however upon reflection, it is felt that 40 is too large of a number to have quality coaching sessions even with a TA.	From September, this will be reduced to 20 children.
	To replace and enhance playground equipment as appropriate.	£100	Playground equipment is utilised well by the children and they have a broad range available.	Continue doing this to replenish stock.

Key indicator 2: The profile of PESSPA being raised across school as a tool for whole school improvement				Percentage of total allocation 3.7% £752
School focus with clarity on intended impact on pupils:	Action to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps
To maintain our gold award and investigate working towards achieving platinum.	Continue updating equipment as necessary.	£100	Equipment is monitored by the HLTA and has been regularly replenished.	HLTA is looking into the possibility of purchasing badminton nets.
	To use a new sports achievement board in the junior cloak room to celebrate sporting achievements.		This has the wow factor and really celebrates the successes of sports at Brindle St James'.	HLTA to update a minimum of once a term.
To introduce mindfulness/ yoga on a regular basis across school.	To instigate awarding sportsmanship certificates following events.		HLTA has awarded many sportsmanship awards along with an a presentation to the school about why this was deserved.	Continue this good practise
	To purchase 2 new sport event boards. One for the hallways to celebrate sporting events and one for the hall to display our sports award, sportsmanship certificate and varies levels of sports participation.		It was decided that just one board would be purchased as mentioned above.	
	To introduce mindfulness and regular yoga across school. Lisa Gardner to attend training and look at how this can be incorporated into a weekly assemblies.	£350	This has been a huge success and the children have really enjoyed taking part. The HLTA has trained up all staff as well as providing an information leaflet to staff to follow.	To build upon this good practise now it has been established.
	To have the Life Education bus visit and talk about a variety of health and wellbeing topics.	£302	Unfortunately, due to Covid-19 we have not been able to have a visit this year from the Life Education Bus.	To resume our schedule of events with the Life Education bus next year.

Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sports				Percentage of total allocation 32.1% £6,586
School focus with clarity on intended impact on pupils:	Action to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps
To refine our assessment procedures by making sure our approach to assessment is consistent whether a lesson has been delivered by a teacher or a coach as part of CPD. To continue staff development within curriculum PE and the broader delivery of sports.	Lisa Gardner to go on Yoga training with a view to plan and implement this into the weekly whole school mindfulness/ yoga session.	See above	Lisa attended this and has developed a who school yoga program which	
	Coaches will deliver a new selection of PE topics to further enhance teacher breadth of knowledge.	£3,955	Coaches co-taught will all teachers and TA's focusing on sports the staff felt the needed additional training on.	To continue this good practise next year.
	All units will be assessed from now on using the KLIPs grids with working towards, at or above expectations. Teacher will complete these for their own sessions and jointly which a coach when applicable on a half termly basis.	£0	All units co-assessed but the coaches and class teachers showing which children met, exceeded or did not meet the assessment criteria for a specific aspect of PE.	Continue this good practise next year.
	To look at progress, once judgements have been made for a unit, they will be transferred onto a whole school traffic light grid for the subject co-ordinator to identify gifted children and children who may need additional support. Co-ordinator release time will be provided.	£772	HLTA has taken ownership of collating all PE judgements which gives a clear picture of those children who need support in PE.	Now this is established, next year look at what can be done to support children who consistently do not achieve the assessment criteria. For those who exceed, are links being made with local sporting clubs.
	Cover whilst staff attend training and cost of training as necessary.	£865	Cover has been in place to allow staff to access training.	Continue next year.
	Additional CPD training for HLTA in a wider range of sports being delivered.	£994	Lisa has attending the Yoga training. We also had whole school training for a Lancashire Advisor in how to put up and effectively use the climbing frame. Unfortunately due to Covid-19, it has not been possible to attend other training planned.	Ask all staff if they feel they have any training needs.

Key indicator 4: Broader experience of a range of sports and activities offered to all pupils				Percentage of total allocation 7% £1437
School focus with clarity on intended impact on pupils:	Action to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps
To give children to opportunities to participate in sports which are new to them.	New and inspiring sports using coaches will be added to inspire the maximum number of children.	See above	A variety of new sports have been introduced this year including curling and archery.	Continue to inspire a love of sports.
	To move our KS2 swimming provision to Brinscall Baths and to continue providing additional swimming for all of the foundation stage and key stage one.	£1032 (KS2 on included in this budget)	KS2 started their sessions, however, due to Covid-19 these had to be stopped.	As children at Brindle ST James' go swimming for 5 years, hopefully all children will still be able to achieve the swimming expectations. Should this not be possible, additional swimming lessons will be sourced.
	To introduce the miniwhistlers programme for upper KS2 to give them skills in referring and overcoming disagreements.	£105	This programme unfortunately ceased and an alternative could not be found.	Look for other sporting initiatives.
	To provide cycling lessons for all children in EYFS starting with a course on balance bikes, followed by pedal bikes.	£300	These sessions meant that every child in reception learnt how to ride a bike.	Look into further expanding to include scooter riding.

Key indicator 5: Increased participation in competitive sport				Percentage of total allocation 12.2% £2510
School focus with clarity on intended impact on pupils:	Action to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps
For 100% of pupils to participate in a competitive sport.	To aim for 100% of pupils to attend an external sports competition in KS1 and KS2 by monitoring participation and identifying children to be encouraged. Funding for transport.	£750	We were on track for this until Covid-19.	To continue to aim for this next year.
	To continue our relationship with SSP entering as many competitions as possible using the SSP calendar to plan ahead more effectively.	£1500	Many competitions were entered including football, tennis and multisport.	Continue next year.
	For Premier to start focus coaching on a Friday to support competitions. E.g. the half term prior to central venue football, the coach will train them in addition to the HLTA who is the team coach.	Funding included in CPD coaching	This was all in place to happen however due to Covid-19 we did not get this up and running.	Aim for this to happen next year.
	To pay for additional staff to take children to competitions rather than withdrawing them from other classes or being unable to attend.	£260	This has not been necessary this year as not all events have been attended due to Covid-19	Continue to make this available next year.
11.65% funds unallocated. £2,365.20
