Coding Club - Extra Curricular Activity

Each Wednesday from the 4th November till the 9th December (6 weeks) a coding club will commence in Class 1 from 3.30 until 4:15.

The children will learn to program their own interactive fairy tale. In the process, they will learn to solve problems, design projects, and express themselves creatively.

Due to classes not mixing this is only available to pupils in Class 1 and places are limited due to the resources needed. If oversubscribed names will be picked out of a hat to ensure it is fair.

Please request a place through our website <https://brindle-st-james-church-of-england-primary-school.secure-primariesite.net/coding-club-2020/> before 21st October. You will be told before half term if your child has a place.

Kind regards
Miss Corney
