Dear Parents/Carers,

Our whole school attendance has dropped to 94.7% this week. Please ensure that your children get to school every day on time.

We have our next parent coffee morning on Thursday 13th June. Come along to chat to other parents, have a drink and make some Eid and other non-themed cards that will be sold after school on Friday.

On Friday 14th June we have a non-uniform day to raise money for our Matilda production. We would very much appreciate a £1 donation to help us purchase props and costumes for the children to use.

Well done to Ms Richards and our school football team who played a match against St Patricks on Thursday afternoon. The team played extremely well with the result being a very close loss.

Make sure you have our next staff training day in your diary. School is closed for pupils on Monday 17th June.

I am pleased to announce that no staff have resigned for September which is a reflection of the positive staff culture we have here at Brookfields. I will be looking at classes and teachers for next year shortly and will let you know once they have been confirmed.

Have a lovely weekend everyone.

Mrs. L Mahony, Headteacher

Safeguarding is everyone's responsibility

The online world is an important part of kids' lives nowadays. It's an exciting place for them to explore, with all sorts of fun and educational stuff to discover, but there can be some risks too.

'Keeping children safe online' will teach you how to help kids explore their favourite apps, games and sites safely. Our workshop will:

- help you understand how children experience the online world
- show you resources and tools that could help keep them safe
- empower you to guide them on their journey.

Date: Wednesday 19th June 2024
Time: 9 - 10am
Location: Brookfields Primary School
