

Dear Parents/Carers,

We hope all of our families who celebrated Eid this week had a fantastic time. The children really enjoyed their party on Friday.

Look out for letters regarding your child's next parent workshop, we hope as many of you as possible can join us for them.

Keep an eye on our key dates list for this term, we will continue to add in planned events each week.

Children have been invited to take part in the West Midlands Metro 'design a new logo' competition. See details below. Children can create their designs at home and bring them into school for us to enter them.

Have a great weekend and we look forward to seeing you on Monday.

Mrs. L Mahony, Headteacher

Safeguarding is everyone's responsibility

Let's keep

kids safe online

The online world is an important part of kids' lives nowadays. It's an exciting place for them to explore, with all sorts of fun and educational stuff to discover, but there can be some risks too.

'Keeping children safe online' will teach you how to help kids explore their favourite apps, games and sites safely. Our workshop will:

- help you understand how children experience the online world
- show you resources and tools that could help keep them safe
- empower you to guide them on their journey.

Date: Wednesday 19th June 2024
Time: 9 - 10am
Location: Brookfields Primary School

- **Tuesday 4th June: School opens for pupils at 8:30am**

25th Anniversary Design Completion

This year, we will be celebrating our 25th anniversary — an amazing milestone in the West Midlands Metro network.

To mark this occasion, we're inviting primary school children from our West Midlands community to help us design an exclusive 25th-anniversary logo that will be used across our trams and on-anniversary memorabilia.

The winner of the competition will be asked to the unveiling of the logo to see their design in position on our trams.

They will also win £500 for their school and will be invited, along with a number of classmates and a teacher, to our depot for an exclusive behind-the-scenes tour to learn all about the Metro.
