Dear Parents/Carers,

Thank you to all of our families who supported our first Brookfields Bazaar. It was a lovely event that has helped raise money to further develop our school playground. We would like to make it a regular event and will let you know the next date shortly.

World book day was a huge success on Thursday. We had many entries into the book cover competition and the children looked fabulous dressed up as book characters.

Please come and join us for our next Parent coffee morning on Thursday 14<sup>th</sup> March at 8.50am. It is a chance to meet parents, relax and have a coffee or tea and have a go at learning some drawing techniques.

Remember it is parents evening next week on Tuesday and Thursday. You can book an appointment on the app. Speak to the office if you have any questions.

Have a lovely weekend.

Mrs. L Mahony, Headteacher

**Many young people who are victims of cyberbullying suffer in silence.**

They feel they can't turn to parents or a trusted adult for support as they fear they may get in trouble or have their devices taken away from them. It can carry on all day, all evening and all weekend for the world to see, causing a lot of emotional stress to the victim and their family.

**It can very quickly lead to the victim feeling trapped, scared and vulnerable to grooming and blackmail.**

**Online safety is when young people know who they can tell if they feel upset by something that has happened online.**

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.
