

What's On in Halton: Spring Term 2 2022

ADDvanced Solutions Community Network have an online and face-to-face offer to support children, young people, families and professionals in the Halton area.

Our online offer is delivered using Zoom for Healthcare. If you are using a phone, you will need to download the Zoom app beforehand. The details we request are kept securely and used in line with our privacy policy:

<https://www.addvancedsolutions.co.uk/policies/privacy-policy.html>

If you are accessing our online offer using your mobile phone, please be mindful of your data usage. If you do not have an unlimited data plan, you may need to connect to a Wi-Fi connection to prevent charges.

Our COVID-19 Health & Safety commitment to you for face-to-face attendance

We will:

- Follow government guidance
- Offer hand sanitiser, face masks and face visors, if desired
- Test our team regularly
- Observe social distancing measures

We ask that you:

- Follow government guidance
- Do not attend if you have any COVID-19 symptoms
- Respect the venue, and our team's requests around observing COVID-19 health & safety measures
- Follow our registration process
- Observe social distancing measures
- Understand that we may need to limit face-to-face attendance

Community Network Groups

Community Network Groups provide a discussion based opportunity to develop your understanding around neurodevelopmental conditions (NDCs), to ask questions and share learning and experience. You can talk to other parents, the ADDvanced Solutions team and **visiting professionals** who can help and support you.

To attend our face-to-face Community Network Groups come and join us at the address listed.

Some of our Community Network Groups for this term will be running online.

To join an online group, [click the appropriate registration link below.](#)

Coffee Mornings

We are happy to attend any face-to-face coffee mornings and/or online sessions to explain our current offer to families and professionals. Please contact the office.

Neurodevelopmental Conditions Family Learning Programmes

This half term, we are providing the opportunity to choose from either an online or a face-to-face Family Learning Programme:

- **Thursday: three full days - Face-to-Face (for Halton families)**
- **Wednesday: six evenings - Online (for families from all areas)**

Our Neurodevelopmental Conditions (ND) Family Learning Programme provides an opportunity for parents and carers to gain understanding and skills about neurodevelopmental conditions including autism and ADHD (pre, during and post-diagnosis) with strategies to support the difficulties that may present:

- Neurodevelopmental conditions/specific learning difficulties and associated mental health difficulties
- Autism Spectrum Disorder/Condition (ASD/C)
- Attention Deficit Hyperactivity Disorder (ADHD)
- Sensory Processing/Integration Difficulties (SPD)
- Supporting behaviours associated with neurodevelopmental conditions
- Your Local Offer, disability welfare rights and special educational needs support including Early Help and Education Health Care Plans

Seeking Crisis Support?

ADDvanced Solutions Community Network is not a crisis service. If you, a child or young person is experiencing acute distress and is deemed to be a risk to themselves or others, **we have listed the local area crisis contact details on our urgent support page, which you can find on our website: www.addvancedsolutions.co.uk under the 'Contact' menu option**, where you will also find links to national organisations that can offer support.
