

Brookside Cultural Capital and SMSC Overview 2024-2025

It is our intention to develop the **SOCIAL, MORAL, SPIRITUAL** and **CULTURAL** understanding of every pupil. Key and Special events have been planned to raise awareness for many meaningful events/causes that also provide the children with opportunities to think about how the community of Brookside Primary School can help others.

Cultural Capital is the accumulation of **KNOWLEDGE, BEHAVIOURS**, and **SKILLS** that a child can draw upon and which demonstrates their cultural awareness, knowledge and competence; it is one of the key ingredients a child will draw upon to be successful in society, their career and the world of work.
