Notes

- In our school transition to Language Angels, some units may appear more than once in the first 2 years in different year groups. This is to ensure all children have completed the necessary building blocks in the three pillars of progression: phonics, vocabulary and grammar. Year 1 and Year 2 planners are intended to be used for one year only
- Each lesson and unit is progressive and the children will encounter activities that will facilitate recycling of previous knowledge. Therefore, all units should be completed and taught in the given order.
- Each academic year, the Languages Curriculum will be reviewed to ensure that it is still current, challenging and that the content is engaging and relevant to the whole curriculum.
