

Gardening Club

Year 1 are invited to join an after school gardening club. It will take place every Tuesday during the next half term beginning on Tuesday 18th April 2023.

Can we kindly ask that the children bring in an old set of clothes to change in to as it might get a bit messy in the garden?

Children will need to be collected from the main entrance at 4pm.

We have places available for 10 children so be quick to request a place.

Kind regards

Ms Smith and Mrs Williams
