**9<sup>th</sup> September 2020.**

Dear Parents/carers,

I'm aware that there may be concerns amongst parents, carers and pupils about the current COVID-19 situation in the school. Currently there are no confirmed cases of COVID-19 among the staff and pupils at the school.

I would like to reassure you that should a pupil or staff member become a confirmed case then we will directly contact **those staff and pupils affected**. If you are not contacted, you can be assured that you or your child are not a direct or close contact and are not required to self-isolate.

I would like to remind everyone that if your child does develop symptoms of COVID-19 (high temperature, or new and continuous cough or a loss of sense of taste or smell) please ensure they do not attend school. Please notify us that your child is self-isolating with other household members, arrange for them to get tested and continue to self-isolate as a household until the result comes back.

If the test result is positive, please notify the school **immediately 24/7** – [head@brookside.cheshire.sch.uk](mailto:head@brookside.cheshire.sch.uk) and/or [admin@brookside.cheshire.sch.uk](mailto:admin@brookside.cheshire.sch.uk) and/or 0151 558 1123, we will then identify any school contacts and notify them of the need to self-isolate. Your child will need to continue to self-isolate for 10 days from the start of their symptoms and all other contacts will need to self-isolate for 14 days.

Mr M Rodgers

Headteacher
