Dear Parents/Carers,

Strive for Five:

Well done to **Year 1** who had **95%** of the class meet their Strive for Five target this week! Excellent!

Year 6 SATS:

A HUGE well done to all of our Year 6 pupils who completed a gruelling week of SATs tests last week! We were all so proud of their perseverance throughout the four days of testing and the way they took it all in their stride. Amazing! We hope you can now enjoy your final months at Broughton Primary making special memories that will last a lifetime.

Bassenfell:

Good luck to our Year 2 pupils who have set off on their overnight residential at Bassenfell. We had lots of very excited children this morning! I'm sure they will have a fabulous time.

Jubilee Picnic:

We are inviting all of our pupils and staff to attend school on Friday 27th May dressed in non-uniform with a red, white and blue theme to celebrate the Queen's Platinum Jubilee. We will hold a whole-school picnic on the school field (weather permitting) and children will be participating in special lessons based on the Queen and the Jubilee celebrations. There will be no charge for school dinners on that day. Instead, we are inviting pupils in Early Years and Key-Stage 1 to bring along some sweet snacks for our Jubilee picnic, and Key-Stage 2 pupils to bring along savoury snacks which will make up a huge buffet for the children to choose from. Mrs Farley will also make up some trays of sandwiches to go towards the buffet too. I'm sure it will be a lovely day and we are keeping our fingers crossed that the sun makes an appearance too.

Multi-skills club:

Ellie Hodgson, from Chris Wright's Sports Services, will be offering an after-school multi-skills club after half-term to pupils from Years 2 and 3. Parents of pupils in Year 2/3 will soon receive a text message to allow you to book a place for your child at the club, which works on a first-come, first-served basis. The club will run on a Wednesday afternoon from 3.15-4.15pm, starting on Wednesday 15th June running up to and including Wednesday 20th July.

Applying Sun-cream:

Hopefully, we will see some improvements in the weather as we move towards June and so I thought it would be useful to outline our school procedures involving applying sun cream to children. Please could we request that on sunny days, sun cream is applied to children prior to coming into school. Children are able to bring a labelled bottle of sun cream into school if it is kept in their school bags and can reapply it themselves throughout the day. We understand that our younger pupils may struggle to do this properly and so staff are happy to support them with this. We would encourage children to bring a sun hat and sunglasses into school too for breaktimes.

The Big Plastic Count:

This week, across the country, households of all shapes and sizes, schools, community groups and businesses, will gather new evidence. How much plastic are we really having to throw away, and what happens to it? We're going to show the government it's time to commit: reduce single plastic use by 50% by 2025 by switching to reusable options that work for everyone – and ban sending our waste to other countries. If you would like to take part, please visit <https://thebigplasticcount.com/> to sign up for your free pack.

In an attempt to reduce the amount of dog fouling in our village, particularly on the route some of our children take to their forest school site, the School Council will be adding some doggy bags and posters to different areas in the village. To help us with this, we would be grateful for donations of large single use plastic bottles and doggy bags or nappy bags.
