Dear Parents/Carers

### **Parent/Carer survey:**

It is that time of year once again... Please could we invite you to complete our Parents'/Carers' survey for 2024 by clicking on the link on the newsletter email or the link below? Your feedback really helps us to develop as a school and provide the best possible service for your child(ren). Following the closure of the survey on Friday 3rd May, we will draw out a name from those who have completed the survey. The winner will receive a £20 Amazon voucher. Names are optional but are required to be included in the draw. Thank you in advance for this; we will report the findings and development plans in the near future.

### **Assembly theme:**

Our school assembly themes change on a half-termly basis and this half-term we are focusing on 'Resilience'. This has led to some brilliant discussions and self-reflection, with many children being very honest in saying that they find it challenging to solve their own problems and often rely on parents/carers to solve it on their behalf. All children were very mature in recognising that if they don't ever take the opportunities to solve their own problems and practice this skill, it will be very difficult to become resilient – a crucial skill for children to possess as they move on to secondary education and begin to navigate the world more independently. Over the next half-term, we will be hearing some top tips on how we can build on our resilience. If you could talk to your children about this theme, it would be much appreciated and will enhance the work we are doing in school.

### **KABS 'Break the rules' day:**

KABS have planned another fantastic event, which we are sure your children will love! On Friday 3rd May, children can pay to break the usual school rules – 50p per rule break. If children would like to break the 'only water to be drunk from bottles' rule, KABS will provide

the juice to school and children can fill up their bottles with juice. Please could we ask that any sweets provided to break the breaktime snack rule are nut-free and this will be checked by staff, as we have children in school who have nut allergies.

**Dates for your diary Summer 1:**

Please note that dates for various events will be added to this list throughout the term and so please check dates weekly to keep up to date.

- Wednesday 24th April: After-school orienteering sessions begin for Year 6s who signed up
- Friday 3rd May: KABS 'Break the Rules' day
