Safeguarding All Children

*An information leaflet for visitors,
parents and carers*

**Safeguarding is everyone's
responsibility -
Help us to keep all our children
safe.**

Broughton Primary School recognises the importance of pupils welfare and is proud of comments from its last Ofsted Report that said “There is a strong culture of safeguarding in the school. Regular training means that staff know what to look out for if pupils are at risk. They also know what to do if they have any concerns about a pupil. Leaders and staff know pupils well. They teach children how to stay safe throughout the school, online and in the wider community”.

We are committed to ensuring all children are safeguarded. As a consequence Broughton Primary School will;

- Establish and maintain an ethos where children feel secure and are listened to within an open and positive school atmosphere.
- Ensure that children have an identified adult in school who they can approach if they are worried or in difficulty.
 - Plan opportunities and activities into the curriculum for personal, social, health and citizenship development which equip children with the skills they need to stay safe.
- Will make any referrals necessary to ensure the well being of a pupil is safeguarded.
 - Ensure that the school is always a safe environment and children are protected from radicalization and/or extremist behaviour.
- Ensure that children’s identities and images are protected with regard to published information on the school, particularly on websites and in the media.

“A shared responsibility and the need for effective joint working between agencies and professionals that have different roles and expertise are required if children are to be protected from harm and their welfare promoted.”
