Dear Parents/Carers

Strive for Five/ Attendance Champions:
Well done to our Reception (Catbells) class for winning the Strive for Five reading challenge last week with 75% and to Year 3 (Barrow) for being our Attendance Champions with 99% attendance last week.

BPS Christmas Fayre:
Thank you to everyone who attended and supported our school Christmas Fayre last Thursday. We hope you all enjoyed it. It was great to see school so busy. A special thank you to Mrs Taylor and our school choir for entertaining us all with such beautiful singing. We managed to raise £650 in total, and the money will be used to pay for the recent M&M Productions performance of Sleeping Beauty which the children all really loved.

BPS Christmas dinner day:
It is Christmas dinner day in school next Wednesday (18th December). If your child usually has a packed lunch, but would like to have a traditional Christmas dinner, please email Mrs Bryden on: admin@:broughton-pri.cumbria.sch.uk to request a lunch and she will set-up a one-off payment on SchoolMoney. Please can any orders be made as soon as possible, as Mrs Farley would like to order the food tomorrow afternoon.

Christmas service in Christ Church:
We are looking forward to holding our annual Christmas service in Christ Church this Wednesday morning (11th December) at 9.30am. Children from Reception to Year 6 will perform a Christmas song/poem for you all to enjoy. We hope to see you there!

KABS Xmas Shopping night:
On behalf of school and our parent committee KABS, we would like to say a HUGE thank you for your support towards the Christmas Shopping night. KABS raised a **massive £1350** over the course of the evening, which is helping them to fund some new benches for our MUGA. Thank you for all of your support at these events!

Christmas tree donations:
Our Forest School leader, Samantha, is looking for donations of real Christmas trees on our return to school in January. If you have a tree which you are happy to donate, it can be left at the top of our school field by dropping it over school-side of the metal gate and can then be transported to our Forest School site to be used as a resource by our children.

Sewing/knitting resources:
As part of our Design Technology curriculum, small groups of our upper Key-Stage 2 children are working on a textile project. If you can donate any of the following items to help boost our resources further, it would be much appreciated: crochet hooks knitting needles, wool and material. Thank you.
