Dear Parents/Carers,

A much shorter newsletter this week....

A huge thank you!

On behalf of all of us at BPS, we'd like to say a huge thank you to the Punchbowl Inn for their very kind donations of: **£500 to our Out-of-School Club and £1000 to KABS**. Both of these very generous donations will go towards providing extra resources for the children at our school. It is wonderful to have such support from our local community – thank you!

KABS A.G.M:

Our parent committee, KABS, will be holding their Annual General Meeting in the Punchbowl Inn on Thursday 8th October at 7pm. Whether you are a current member or interested in joining the committee, you are most welcome to come along.

STEM week:

STEM Week is happening this week! We are excited to be holding our very first STEM Week at BPS. STEM stands for **Science, Technology, Engineering and Mathematics**, and these subjects help children develop important skills such as problem-solving, creativity, teamwork and critical thinking. Throughout the week, pupils will take part in a range of exciting hands-on activities and challenges, as well as meeting visitors from different careers who use STEM in their everyday work. It promises to be a fun, engaging and inspiring week, giving children the opportunity to learn about the many ways STEM shapes the world around us and the exciting careers it can lead to in the future.

Dates for your diary Autumn 1:
