Dear Parents/Carers

### **Strive for Five & Attendance Champions:**

Congratulations to Year 4 who were last week's Strive for Five reading challenge winners with 100% of the class reading five times during the week. Well done to Reception and Year 3 who achieved 100% attendance last week. Fantastic!

### **Class structures and staffing for September 2025:**

It is my pleasure to share with you the arrangements for classes for September. Your child will take part in a 'Move up morning' on Wednesday 2<sup>nd</sup> July, where they will get to meet with their class teacher and carry out a variety of fun activities:

- Early Years – Mrs Johnston, Lisa, Mrs Greenbank, Ruby and a new apprentice
- Year 1 & 2 – Mrs Turpin & Alex
- Year 3 – Miss Tweddle
- Year 4 – Mrs Bewsher (until Miss Lightfoot returns from her maternity leave just before October half-term)
- Year 5 – Mrs Taylor & Amanda
- Year 6 – Mrs Barcock & Miss Vevers

### **A special well done!**

I would like to say a huge well done to all of our Year 1 pupils who recently completed their Phonics Screening Check, and also to our Year 4 pupils who have worked very hard towards the Multiplication Tables Check. It has been wonderful to see how proud the children are of their own personal achievements and progress, and to clearly see how their hard work and efforts have paid off. Thank you to the staff involved who have shown incredible support to the children, and also to our parents/carers, who have been working with your children at home too.

**Parent/carers survey:**

Congratulations to Natalie Rutherford who is the winner of the £20 Amazon voucher for completing the survey. Thank you to all that provided us with feedback, which will be shared within our staff and governor community and acted upon appropriately.

**After-school clubs:**

A quick reminder that Rory's after-school football club and Laura's Recharge club will resume this week as normal.

**Sports day plans:**

The weather forecast for this Thursday's Sports Day events is currently predicting a hot, sunny day. Although it is always lovely to enjoy some sunshine, it isn't ideal for a sports day event and so please can you make sure that your child brings along a sun hat/cap to school and has sunscreen pre-applied with a spare bottle in their bag. All children can attend school on Thursday in their P.E kits wearing an item that is in their team colour. All children will need to keep well hydrated and so they will also need a water bottle (Early Years and Key-Stage 1 pupils can use their school water bottles). KABS will be selling refreshments for parent spectators; please can we ask that you do not purchase drinks for your child and pass them over whilst sitting with their class – this is in fairness to all children and due to them having access to their own drinking bottles. The children will be sitting on the other side of the racing track within their teams, and in order to keep them safe, we will not be allowing children to cross the track to sit with adult spectators. Thank you for your support in this matter.

**Payments to school:**

As we are in the final term of the academic year, please could we ask that any outstanding payments for school lunches, Year 2 Bassenfell visit, Year 5 & 6 swimming, after-school football club payments are all cleared prior to school breaking up for summer? Our financial year ends in the summer, and if outstanding payments need to be carried over, it creates extra work for Mrs Bryden and can make auditing quite complicated. Thank you.

**Forest School support:**

Samantha Aumonier, our Forest School leader, is looking for resources to add to our new Forest School shelter to make it more inviting and comfortable for our children to work in. The children have told us that they would love to have some bean bags in there – if anybody has any beanbags that they would like to donate, they would be very much appreciated. Samantha is also keen to build another mud kitchen on our Forest School site. Do we have any handy and willing parents who would be keen to be involved in the construction of a new mud kitchen? Samantha would be very happy to share ideas and work alongside any volunteers. If you would like to get involved, please could you contact our school office. As part of this project, we would also need some intact whole wood pallets (preferably untreated) which could be dropped off at the front of school.

### **Dates for your Summer 2:**

**Please note that dates for various events will be added to this list throughout the term and so please check dates weekly to keep up to date.**
