Dear Parents/Carers,

**Times Tables Rockstar day:**

We are looking forward to holding our annual Times Table Rockstars day this Thursday. Children from Year 1 up to Year 6 are welcome to dress up as a rockstar and will be taking part in Times Table battles and activities throughout the day. It is always lots of fun and a great way to practice our times-tables.

**Out-of-School Club:**

OOSC is very busy in every session and is being well-supported by parents/carers, which is wonderful. **We would like to send a quick reminder that if you need to make an on-the-day booking for an after-school session after the cut off time of 12pm on the day, you will need to call the office so that your child can be added to the register.** This avoids any confusion from children and staff. Thank you for your support with this.

**Parents Evening appointments:**

The booking system will go live next week for you to make appointments to meet with your child's teacher in person (Tuesday 6th October) or virtually (Tuesday 13th October). Further information will follow in next week's newsletter.

**Outstanding fell-walk money:**

On our last full day in school in summer term, our Year 1 & 2 pupils walked up Binsey, and Key-Stage 2 pupils walked Dodd Fell. In order to support us with transport costs, we asked for a donation of £5.00 per child, but as summer term is always so busy, we felt that the payment may have been missed. If your child attended the walk, and you have forgotten to pay, you are still able to make the payment on SchoolMoney – the payment will still be there on your child's account. If you have any problems in finding the payment, please contact our school office and we'll be able to help.

**Feeling proud!**

At Broughton Primary School, we believe that education is about far more than academic outcomes alone. We take a holistic approach to learning, placing equal importance on children's happiness, wellbeing, personal development and feeling safe and valued within our school community. However, we are also incredibly proud of our academic achievements, and last year's attainment data reflects the dedication of our pupils, staff and families. These excellent results demonstrate that children can thrive both personally and academically when they are nurtured, supported and inspired to achieve their very best. These excellent results are the result of the hard work of your children, through their family support and also our wonderful and committed staff. I feel extremely proud to be the Headteacher of Broughton Primary School

**School Photographer:**

Next Wednesday (30th September) our school photographer, Heidi, will be in school to take individual & sibling photographs. Please can all children attend school in their uniforms and if they have P.E on that day, they will be able to get changed into their kits after the photos have been taken. If you would like your child's photo taken with a younger sibling who is pre-school age, you can come to the school hall from 8.30am to have the photo taken before the school day begins. Staff will arrange sibling photos when both children are in school, throughout the morning.

**Dates for your diary Autumn 1:**

Class Dojo has updated their system to allow us to post upcoming events on the Dojo story pages. It also allows us to provide reminder alerts as we approach the event which we feel will be helpful. I will however continue to list events in each week's newsletter:
