Dear Parents/Carers,

**Celebrations:**

Congratulations to all of our amazing Year 1 superstars who all passed their recent Phonics Screening Check! This is an amazing achievement by our children and we are so proud of them! It is the second year in a row for our school to achieve a 100% pass rate - a great big thank you and well done to Mrs Turpin also (our Phonics leader) for preparing and supporting our children with their Phonics.

Congratulations to our Year 4 pupils too who took their Multiplication Tables Check last week and achieved some incredible scores! They have worked so hard towards this test, and kept their cool even when they were struggling to practice due to the lack of internet! We could not be more proud of each and every one of you. A big thank you and well done goes to Miss Lightfoot too (Year 4 teacher) who has worked very hard with the children. A wonderful set of results!

**Hot weather:**

Due to another heatwave, temperatures are set to be very high this week, especially on Thursday where it could reach 33 degrees. Please can you ensure that children come to school with suncream already applied and the suncream bottle in their school bag to be reapplied if needed. They will also need a sunhat, glasses and to have a water bottle with them in school (for children in Year 3-6). We will be encouraging all children to drink plenty and to access the shady areas when outside for break times.

### **England World Cup support:**

Don't forget that children can attend school tomorrow dressed in football kits or red/white clothing if they wish as England will play their second game against Ghana tomorrow evening. Let's keep everything crossed for another winning score! Come on England!

### **Scholastic Book Fair:**

Our lovely Scholastic books have now arrived in school and all of the children have had an opportunity to have an explore. Your child will bring home a 'wish list' of books that they enjoyed reading today – these books will be on sale in our school hall on Wednesday afternoon from 2.45-3.45pm. Please come along to take a look... Every book that is purchased earns a free book for our school.

### **Class photos:**

Just a quick reminder that our school photographer, Heidi, is in school on Thursday morning to take class photographs. Please can all children attend school dressed in their school uniform. If they have sports events or P.E on that day, they can get changed afterwards into their kits. We are hoping that photos will be taken outside this year.

### **KABS Come as you are day:**

This Friday, KABS are inviting your child to come to school dressed in clothes that you are comfortable in. If you want to be Superman, no problem! You would like to wear your pyjamas all day – absolutely! Rather than money donations, KABS are looking for donations of bottles (unopened wine, bubble bath etc), or packs of sweets to help with future donations and raffles.
