Dear Parents/Carers

Strive for Five & Attendance Champions:

Congratulations to Year 4 who were last week's Strive for Five reading challenge winners with 96% of the class reading five times during the week and also for their 100% attendance last week which makes them the Attendance Champions too. Well done Year 4 - fantastic!

Sports day success:

Thank you to everybody that came along to support the children during our sports day events last Thursday. The children worked incredibly hard in the heat of the sunshine, to show off their sporting talent, but also enjoyed showing support and encouragement to their teammates and cheering each other on which was a pleasure to see. We hope you enjoyed it as much as we all did!

KABS Break the Rules day:

After the success of the last 'Break the rules day', KABS will once again invite children to make a donation to break some school rules this Friday:

Broughton Carnival:

Broughton Carnival will take place on Saturday 19th July. This year, the Carnival Committee have funded one free go on a fair ride for every pupil in Broughton School, and there will be a token in their bags shortly before the day. Thank you to the whole committee for this – we are sure that will be appreciated by all of our children! The face-painting and the children's entertainer will also be free.

A poster for Broughton Childrens Carnival. At the top, there are two strings of colorful triangular bunting in red, yellow, blue, and teal. Below the bunting, the title "Broughton Childrens Carnival" is written in a large, bold, teal font. Underneath the title, the date and location "SATURDAY 19TH JULY, BROUGHTON WELFARE FIELD CA13 0ND" are written in a smaller, bold, dark blue font. Below that, "STARTS 2PM" is written in a medium-sized, dark blue font. A list of activities follows in bold, dark blue font: "carnival parade", "kids face painting", "kids entertainment/magic show", "inflatables", "fairground rides", "food stalls/market stalls", and "fun for all the family!". At the bottom, a small paragraph of text provides details about the event's timing and location.
