AUTUMN ISSUE 2022

Welcome to the first KABS newsletter for 2022-23 school year!

For those that may not have heard much about us, KABS is a registered charity, raising vital funds and organising fun, engaging events and activities for the Kids at Broughton School.

Firstly, I'd like to extend my sincere thanks to you all for your support so far this year. The Committee and I appreciate that living costs are increasing and everyone is feeling the pinch.

At our AGM, the membership agreed to raise funds to improve the fixed outdoor play equipment in the school playground (currently awaiting quotes). The Committee will be applying for grants to help to achieve this, however we are keen to hear from any parents whose employers offer Match Funding for Charity work or may be able to offer a donation.

This month sees the start of a new cycle of our Lottery, where your donation of £24 for the year puts you in the monthly draw for 3 cash prizes! The lottery helps to raise funds for our children, whilst also giving back to those who take part. Please see below for more info on how to join.

FUNDRAISING UPDATE SPOTLIGHT ON RAGBAGS

Did you know you can raise funds for Kids at Broughton School when you're having a clear out?

Now summer is out the way and we're digging out all the winter coats and jumpers, you might consider bagging up any unwanted (but wearable) clothes, shoes or belts, curtains, etc and donating them to this cause.

Our last payment received from RagBags was £112 which is just fantastic.
