## 1. The Basics – Logging in and making a payment

The school will send you an email or a text message to start the process. It will have all the information that you need to log on and pay the school.

The first thing you need to do once you have received the text message from the school is go to [www.schoolmoney.co.uk](http://www.schoolmoney.co.uk). This will bring up a 'Parent Log In' page.

Simply type in your mobile number email address and password (this will be on your text message) to log in. If you have problems logging in at all, it may be because the mobile number or email address do not match the ones the school has. Call your school to double check this and if they have further problems then can contact us.

Once you press log in it should take you to a page that asks for your child's first name. This is the **first** name only.

Please Confirm Your Child's Name

Pop in your child's name and press confirm. The payments screen will come up for you.

## Shop and Dinner Top Up

If your school do not use dinners through our system or have not uploaded any items to the shop then you may bypass this section.

On the right hand side of the screen you will see a school shop option. There are two sections to this. The first is the 'Dinner Top Up.' You will see this right at the top of the school shop.

This will give you a view of everything that has been paid by you to the school. Both online transactions and payments made in school will show up here so you can always keep track of what you have paid.

Once you have finished looking into your history you can select the drop-down box top left. This will bring up a couple of other options.

The screenshot shows the SchoolMoney interface for 'SchoolMoney Demo School 03'. The 'History' tab is selected. A table titled 'Transaction History' displays a list of transactions. A dropdown menu is open above the table, showing options: 'Transaction History', 'Dinners Eaten', and 'Dinner Bookings'. The table contains 40 rows of data, including payments for Bristol Zoo, London Zoo, nursery fees, and various school meals and club activities.
