BROWNEDGE ST MARY'S CATHOLIC HIGH SCHOOL

School Context

We are an 11-16 Mixed Catholic Voluntary Aided High School in Bamber Bridge in the Diocese of Salford. There are currently 791 pupils on roll. This has increased year on year, and we are now oversubscribed in Years 7 to 10. In May 2022 we went through an extensive refurbishment and added a new school entrance, new toilet facilities and developed new ICT suites, RE classroom, staffroom, music room and school dining facility for pupils.

The Mission Statement of Brownedge St Mary's expresses our intention to ensure that all pupils are given the opportunity to fulfil their potential using their unique talents gifted to them by God. Our inclusive ethos and high aspirations for our pupils commits us to providing opportunities that allow all pupils to develop as independent, confident and successful learners who enjoy learning and make good progress.

Through our Mission, we develop pupils' personal and moral values based on our Catholic ethos, teaching them respect for other cultures, religions and ways of life (including British Values) and ensuring that all know how to make a constructive contribution to the local, national and worldwide community.

Our curriculum is responsive to our local context and the profile of our cohort entry. Building on knowledge of pupils' prior learning, we ensure that pupils are challenged from day one through new and engaging learning. We ensure that our broad and balanced curriculum, delivered by specialist staff, equips our learners to transition into appropriate progression routes and ensures that pupils gain secure knowledge, transferrable skills and values which will allow them to lead successful and fulfilling lives.

Our curriculum has been designed and developed to ensure there is no cap on expectations and ambitions and meets the needs of different groups. It has been designed to be ambitious and to give all pupils, particularly disadvantaged pupils and pupils with SEND, the knowledge and cultural capital they need to succeed in life. We plan and sequence our learning such that all groups make good progress. Challenging concepts are revisited so that pupils can make sustained gains in new knowledge.

In May 2025, we were visited by OFSTED who recognized that we are a continuously **GOOD** school.

In November 2022, we were visited by the Catholic Schools Inspectorate who recognized that we are **OUTSTANDING** in terms of our Catholic Life and Mission and Collective Worship and our RE Faculty were **GOOD** in terms of curriculum provision, outcomes and leadership.

ENGLISH FACULTY:

The English team are a group of forward-thinking, committed teachers, who have made huge improvements and developments in the recent years, under the leadership of the Head of Department. The department comprises four full-time specialists, including an Assistant Headteacher, and three part-time specialists. We are an open and encouraging team who are receptive to new ideas and initiatives that new staff can bring.

Students are motivated and excited about English, and the department continues to make innovative changes to its curriculum intent and implementation, adopting an exciting, enquiry-based learning programme across Years 7 to 11. Each half-term's topic is taught under the umbrella of a 'fertile question', which allows pupils to explore different elements of English in a broad, meaningful and conceptual way. Some of the fertile questions include: 'Is fiction always fictional?' and 'Can words change the world?' We offer a reading rich curriculum, with a wide variety of texts being utilised to support teaching. The team work together and are reflective and evolutionary, regularly sharing resources and good practice with each other. We follow a collective vision, under the ethos of our Catholic school, where we seek to develop the God-given skills of every pupil.

Assessments take place every half-term in Years 7 to 10, with whole-school Summer Exams happening at the end of each year. At KS3, we follow a model based around Curriculum Related Expectations rooted in a progression model of skills and knowledge, which we routinely review and adapt to guarantee that our assessments are robust and ensure progress. The department effectively manage workload through a mixture of reading, writing and spoken language tasks being clearly mapped out across the year. The English team systematically record and track summative assessments internally, as well as report externally according to the whole-school assessment calendar. Different forms of assessment have been implemented to help effectively manage mark-load. Moderation and standardisation occurs regularly within the department, and we have a number of experienced staff who also examine for the AQA GCSE Exam board for both English Language and English Literature. There are also opportunities for internal and external CPD to build the pedagogical and curriculum knowledge of the team.

Logistically, the suite of five English classrooms are situated together on the first floor of the main school block, along with a central department office, accessed by lift or stairs. Each member of staff works in a designated room and has ownership of displays and layout; every room is equipped with a visualiser, desktop computer and interactive whiteboard. All teachers are equipped with an iPad and also have the opportunity to be issued with a laptop by the school to use at home.

The English department also offer a range of extra-curricular opportunities for pupils as well as regular visits from authors and district competitions like Lancashire Book of the Year. We also run House competitions within our department to promote the skills of our pupils. At least twice a year, we also invite the Scholastic Book Fair into school, as well as having recently refurbished our Library provision within school, we promote wider reading for pleasure as much as possible. New ideas and initiatives are always welcome.

The English curriculum currently follows the AQA syllabus for both English Language and English Literature, having an excellent track record of results at GCSE.

We warmly welcome all applicants who feel they could work and contribute to this hardworking, dedicated team.
