Outstanding Results

Our journey to outstanding...

Our pupils across all their subjects make more progress than the national average shown by the positive P8 score, and with the Lancashire average of -0.13 we could not be prouder of everything our pupils achieved.

Measure	2019	2023
Progress 8* (the progress across 8 subjects)	-0.07	+0.03
Pupils achieving a standard pass (4+) in English & Maths	58%	63%
Pupils achieving a strong pass (5+) in English & Maths	35%	46%
Pupils achieving a standard pass (4+) in English	72%	73%
Pupils achieving a 4 + in Maths	69%	68%
Pupils achieving a 5 + in English	52%	61%
Pupils achieving a 5 + in Maths	46%	52%

In addition to our spectacular results in English and maths, our pupils continue to perform in all subjects.

- In **Science**, **63%** of our pupils achieved at least 2 standard passes (4+).
- Across our suite of **Languages**, **81%** of pupils entered achieved at least a standard pass (4+)
- Our **most able** continue to excel with over 20% of pupil achieving grades 7-9 in the following subjects; **Biology, Chemistry, French, German, Physical Education, Physics and Religious Education**

A value based education that will last a lifetime
