# Outstanding Results

## Our journey to outstanding...

Our pupils across all their subjects make more progress than the national average shown by the positive P8 score of +0.09. The Lancashire average (2023) of -0.13 we could not be prouder of everything our pupils achieved.

In addition to our spectacular results in English and maths, our pupils continue to perform in all subjects.

- **Increase of 8%** of pupils make above national progress across all their subjects.
- **Increase of 30%** of able pupils making above national progress across all their subjects.
- Pupils with additional needs make at least **0.5 grades more progress** per subject than the national average.
- In **Science, 62%** of our pupils achieved at least 2 standard passes (4+).
- Across our suite of **Languages, 81%** of pupils entered achieved at least a standard pass (4+).
- **Grade 9s** across all subjects have increased by 26%.
- Our **most able** continue to excel with over 20% of pupil achieving grades 7-9 in the following subjects; **Biology, Catering & Hospitality, Chemistry, Computer Science, Drama, French, History, Physics.**
