

# GCSE RESULTS 2025

*A value based education that will last a lifetime*

Our pupils continue to achieve excellent results across all their subjects. This year, our pupils have achieved outstanding grades, which are a result of our culture of inclusivity and high expectations identified by OFSTED in May 2025.

Throughout our pupils' journey they have been challenged to strive academically whilst being nurtured to grow with values that will last them a lifetime. We are rightfully proud of each of our young people and this year they achieved exceptional results. Well Done.
