BROWNEGE ST MARY'S CATHOLIC HIGH SCHOOL

Letter from the Headteacher

Dear Applicant

I am delighted to be writing to you as Headteacher of Brownedge St. Mary's Catholic High School. Having started my career here almost 27 years ago, I have a deep understanding of our school. It is truly a warm, welcoming and vibrant place to be, where we work as a family to support, challenge and care for one another, striving continuously for excellence and to be the best that we can be.

Here, at Brownedge St Mary's, we place Christ at the centre of our pupils' lives: a place to encounter the living God in all that we are and do. Christ becomes alive by integrating Gospel values into every aspect of teaching, learning and the totality of school life both inside and outside the classroom. As a school we challenge every member of our community to "Let Your Light Shine" and to develop their God-given talents to their full potential. By doing this we ensure that our pupils' journeys into adulthood are also journeys of faith from which grow values, aspirations and morals that inform their actions and choices as unique individuals.

Our school is an environment where pupils feel safe, cared for and confident to express themselves. As a result, excellent relationships are formed, based on mutual respect and care for one another. I am extremely proud of our hard working and dedicated staff who go beyond high-quality teaching and pastoral care and offer a rich extracurricular provision that ensures daily enrichment for all.

This is an exciting time for our school as it moves forward in the next phase of its journey to becoming an outstanding Catholic school. As Teacher of Music, you will be working in a team that is passionate and committed to delivering the absolute best for all our students. If you are someone who has energy, determination and drive and are collaborative and build strong relationships then Brownedge is the community for you.

I hope you are the person we are seeking. Should you decide to apply please read the job description and person specification carefully as it is important that, in your letter of application, you can demonstrate how your current experience, skills and qualities meet the job profile, and in particular, how you meet the requirements of the person specification.

You are reminded that the closing date for applications is **Monday 17th April 2023 at 12 noon.**

School Context

We are an 11-16 Mixed Catholic Voluntary Aided High School in Bamber Bridge in the Diocese of Salford. There are currently 760 pupils on roll. This has increased year on year, and we are now oversubscribed in Years 7 to 9. In May 2022, we went through an extensive refurbishment and added a new school entrance, new toilet facilities and developed new ICT suites, a RE classroom, staffroom, music room and additional school dining facility for pupils.

The Mission Statement of Brownedge St Mary's expresses our intention to ensure that all pupils are given the opportunity to fulfil their potential using their unique talents gifted to them by God. Our inclusive ethos and high aspirations for our pupils commits us to providing opportunities that allow all pupils to develop as independent, confident and successful learners who enjoy learning and make good progress.

Through our Mission, we develop pupils' personal and moral values based on our Catholic ethos, teaching them respect for other cultures, religions and ways of life (including British Values) and ensuring that all know how to make a constructive contribution to the local, national and worldwide community.

Our curriculum is responsive to our local context and the profile of our cohort entry. Building on knowledge of pupils' prior learning, we ensure that pupils are challenged from day one through new and engaging learning. We ensure that our broad and balanced curriculum, delivered by specialist staff, equips our learners to transition into appropriate progression routes and ensures that pupils gain secure knowledge, transferrable skills and values which will allow them to lead successful and fulfilling lives.

Our curriculum has been designed and developed to ensure there is no cap on expectations and ambitions and meets the needs of different groups. It has been designed to be ambitious and to give all pupils, particularly disadvantaged pupils and pupils with SEND, the knowledge and cultural capital they need to succeed in life. We plan and sequence our learning such that all groups make good progress. Challenging concepts are revisited so that pupils can make sustained gains in new knowledge.

Five years ago, we adopted a Threshold Model, requiring all subjects to develop Progression Models to ensure that the curriculum is coherently planned and sequenced, and that knowledge is acquired, remembered, built on and applied. These are constantly revised and amended from reflection of what our pupils need to know and when best to teach it. We equip learners with the technical and subject-specific vocabulary to articulate precisely their learning, orally and in extended writing. We expect all learners to appreciate the value of reading widely for pleasure. All learners are engaged in an ambitious curriculum pathway, whether it be traditional EBacc, technical or vocational. Work undertaken on our curriculum intent and implementation has had impact. The deepening knowledge is starting to impact positively on GCSE outcomes. We are committed to continuous improvement.

In January 2020, we were visited by OFSTED who recognized that we are a continuously **GOOD** school.

In November 2022, we were visited by the Catholic Schools Inspectorate who recognized that we are **OUTSTANDING** in terms of our Catholic Life and Mission and Collective Worship and our RE Faculty were **GOOD** in terms of curriculum provision, outcomes and leadership.

Expressive Arts Faculty Information

The Expressive Arts Faculty is a dedicated team: together we share a vision that the arts are incredibly empowering and provide a foundation for cultivating creativity, confidence and independence. We seek to help students gain an understanding and appreciation of all art forms through a broad, balanced and inclusive curriculum that helps them to develop their skills and confidence.

Key Stage 3 teaching has a practical approach giving students as many opportunities as possible to explore their creative skills whether they be artistic, dramatic or musical. The curriculum allows students to develop their skills as independent learners as well as encouraging collaborative work. In order that the curriculum continues to be exciting and engaging, we regularly review it so that it continues to grow and develop to suit the context of our students and the world in which they live.

At Key Stage 4, students have the opportunity to study Art, Drama and Music at GCSE/BTEC level. The context of the cohorts we have at KS 4 has an impact upon the pathway chosen so that we are always seeking to support their educational journey be that academic or vocational. Students are introduced to artists and practitioners as relevant to their selected course as well as being taught about different styles and genres of art, music and theatre, thus giving them a sound foundation to develop their own skills and encouraging them to appreciate a range of art forms.

The faculty is fully committed to making a positive contribution to the wider life of the students in our care and we support the Catholic mission and ethos wholeheartedly. In addition to encouraging academic achievement, we offer a variety of extra-curricular opportunities with clubs running at lunchtimes and after school. Our last school production was in July 2022 when we shared our fantastic performance of 'Matilda Jr'. Productions and concerts regularly involve large numbers of pupils and are well supported by school and the wider community. In addition, we work in collaboration with other teams to share our gifts and talents within school liturgies so that students feel a sense of engagement in these experiences which in turn supports their journey of faith.

Music Department

All students study Music at KS3 and we currently offer BTEC Tech Award in Music Practice at KS4. Previously we have offered the Eduqas GCSE Music specification.

Across all classes our approach is first and foremost practical, but always grounded in a cultural and theoretical understanding. The Music Department has recently been relocated and it is an exciting time for us as we explore upgrading the department so that students have access to the best resources to enable them to flourish.

“Students clearly understand they are part of a Catholic family whose core values come from Jesus. They embrace this, value it highly and actively contribute... In essence, students find the school's ethos inspiring.”

Our recent visit from Ofsted confirmed our school continues to be a GOOD school. (January 2020).

Extracts from the report include:

“This is a school where pupils are confident, full of life, and considerate of others. Pupils are known well and cared about. Pupils behave well and work hard in class.”

“Pupils said that they feel safe and can be themselves in this school community. Bullying almost never happens.”

“Pupils said the wider curriculum is a strength of the school. It provides them many new experiences. Staff go out of their way to provide pupils with extra activities and school trips. Pupils use these opportunities to find out about the wider world and what they enjoy and are good at.”

“Staff help all pupils to access the curriculum equally. Most parents and carers of pupils with special educational needs and/or disabilities (SEND) are full of praise for the school. They say their children receive excellent support from staff. They achieve well.”

“Pupils develop as good and successful citizens. They learn how to contribute and make a difference to the world in which we live.”

“Pupils pay attention, try hard and behave well in lessons. This good behaviour extends beyond lessons. Pupils are happy and orderly between lessons, and at break and lunchtime.”

“Most pupils achieve well in their examinations, across almost all subjects. This includes pupils with SEND, who move on to well-chosen courses after Year 11. Disadvantaged pupils’ examination results are improving year on year.”
