Required as soon as possible

Temporary Teacher of Science

The post is to cover the maternity leave of the current postholder for 1 year or the return of the postholder whichever is the sooner

The Governors wish to appoint a dynamic, enthusiastic and talented teacher of science who has a determination to make a real difference to the lives of young people. We are seeking to appoint an enthusiastic and ambitious individual to become a valued teacher of science in this flagship curriculum area in our school. This is an exciting time in our school's development and we are looking for an individual who will focus on providing the very best for every student and will positively contribute to Brownedge St Mary's journey.

The successful candidate will be:

- a passionate educator with the skills and determination to make a significant difference to the lives of our students in sharing our mission to let their light shine.
- an inspirational classroom practitioner with proven record of raising the attainment of students of all abilities.

In return, wonderful children, loyal and proud of their school, hardworking and committed staff, insightful and supportive governors, an environment shaped by the best pastoral care where every child's future matters, excellent opportunities to develop your own professional development.

Applications from NQTs are positively welcomed as well as from more experienced colleagues.

Pupils are united in their praise for the school's inclusive ethos. One pupil reflected the views of many, saying, 'You don't have to be afraid to be yourself here.'

"Pupils and their parents and carers describe Brownedge St Mary's as a school with a 'family feel' where everyone is valued. Relationships between pupils and staff are built on genuine warmth and respect. Pupils are polite and respectful to each other and well cared for by staff."

OFSTED May 2025

"The pastoral provision is exceptional. The school is extremely welcoming, and the sense of community is palpable. ... (Gospel) values are lived out, permeate the school and are exemplified by strong positive relationships resulting in a united and joyful community. Staff have excellent relationships with students. Students are extremely respectful"

BROWNEGE ST MARY'S CATHOLIC HIGH SCHOOL

Letter from the Headteacher

Dear Applicant

I am delighted to be writing to you as Headteacher of Brownedge St. Mary's Catholic High School. Having started my career here over 30 years ago, I have a deep understanding of our school. It is truly a warm, welcoming and vibrant place to be, where we work as a family to support, challenge and care for one another, striving continuously for excellence and to be the best that we can be.

Here, at Brownedge St Mary's, we place Christ at the centre of our pupils' lives: a place to encounter the living God in all that we are and do. Christ becomes alive by integrating Gospel values into every aspect of teaching, learning and the totality of school life both inside and outside the classroom. As a school we challenge every member of our community to "Let Your Light Shine" and to develop their God-given talents to their full potential. By doing this we ensure that our pupils' journeys into adulthood are also journeys of faith from which grow values, aspirations and morals that inform their actions and choices as unique individuals.

Our school is an environment where pupils feel safe, cared for and confident to express themselves. As a result, excellent relationships are formed, based on mutual respect and care for one another. I am extremely proud of our hard working and dedicated staff who go beyond high quality teaching and pastoral care and offer a rich extracurricular provision that ensures daily enrichment for all.

This is an exciting time for our school as it moves forward in the next phase of its journey to becoming an outstanding Catholic school. As an inspirational teacher of science, you will be working in a team that is passionate and committed to delivering the absolute best for all our students. If you are someone who has energy, determination and drive and are collaborative and build strong relationships then Brownedge is the community for you.

I hope you are the person we are seeking. Should you decide to apply please read the job description and person specification carefully as it is important that, in your letter of application, you can demonstrate how your current experience, skills and qualities meet the job profile, and in particular, how you meet the requirements of the person specification.

You are reminded that the closing date for applications is **on Wednesday the 7th of October 2026 at Noon.**

Brownedge St Mary's Catholic High School is committed to safeguarding and promoting the welfare of young people and expects all staff to share this commitment. The successful candidate will be subject to satisfactory Enhanced DBS clearance and all pre-employment checks to include satisfactory references.

If you join our team, you will enjoy a full and purposeful career where you are valued, supported to develop and your hard work is recognised. I hope that having read all the necessary information about our school you are excited about applying for this position.

I look forward to receiving your completed application and reading what you have to offer our School.

Warm regards,

Mrs Nicola Oddie
Headteacher

BROWNEDGE ST MARY'S CATHOLIC HIGH SCHOOL

School Context

We are an 11-16 Mixed Catholic Voluntary Aided High School in Bamber Bridge in the Diocese of Salford. There are currently 788 pupils on roll. This has increased year on year, and we are now oversubscribed in Years 7 to 10. In May 2022 we went through an extensive refurbishment and added a new school entrance, new toilet facilities and developed new ICT suites, RE classroom, staffroom, music room and school dining facility for pupils.

The Mission Statement of Brownedge St Mary's expresses our intention to ensure that all pupils are given the opportunity to fulfil their potential using their unique talents gifted to them by God. Our inclusive ethos and high aspirations for our pupils commits us to providing opportunities that allow all pupils to develop as independent, confident and successful learners who enjoy learning and make good progress.

Through our Mission, we develop pupils' personal and moral values based on our Catholic ethos, teaching them respect for other cultures, religions and ways of life (including British Values) and ensuring that all know how to make a constructive contribution to the local, national and worldwide community.

Our curriculum is responsive to our local context and the profile of our cohort entry. Building on knowledge of pupils' prior learning, we ensure that pupils are challenged from day one through new and engaging learning. We ensure that our broad and balanced curriculum, delivered by specialist staff, equips our learners to transition into appropriate progression routes and ensures that pupils gain secure knowledge, transferrable skills and values which will allow them to lead successful and fulfilling lives.

Our curriculum has been designed and developed to ensure there is no cap on expectations and ambitions and meets the needs of different groups. It has been designed to be ambitious and to give all pupils, particularly disadvantaged pupils and pupils with SEND, the knowledge and cultural capital they need to succeed in life. We plan and sequence our learning such that all groups make good progress. Challenging concepts are revisited so that pupils can make sustained gains in new knowledge.

In May 2025, we were visited by OFSTED who recognized that we are a continuously **GOOD** school.

In November 2022, we were visited by the Catholic Schools Inspectorate who recognized that we are **OUTSTANDING** in terms of our Catholic Life and Mission and Collective Worship and our RE Faculty were **GOOD** in terms of curriculum provision, outcomes and leadership.

SCIENCE FACULTY INFORMATION

The Science Faculty at Brownedge St Mary's is committed to developing curious, knowledgeable and resilient learners who understand the importance of science in the world around them. Through a knowledge-rich curriculum, practical investigation and enquiry-based learning, we aim to foster a genuine enthusiasm for Biology, Chemistry and Physics. Pupils are encouraged to think critically, apply their knowledge to unfamiliar situations and develop the scientific skills needed to question, investigate and evaluate evidence.

The department is a supportive and collaborative team consisting of the Head of Science, a Second in Science and a further five science teachers, supported by a full-time laboratory technician. The team works closely together to share ideas, develop high-quality resources and continually improve teaching and learning across the faculty. We place great importance on maintaining an open, supportive culture where staff feel valued and are encouraged to contribute new ideas to the development of the curriculum.

The Science Faculty is well resourced with five fully equipped laboratories and an additional shared classroom. The department also benefits from a fully stocked preparation room, managed by our technician, and a dedicated staff office. All teaching rooms are equipped with interactive teacher screens and staff utilise iPads to support teaching and learning. The department places a strong emphasis on practical science, ensuring pupils regularly engage in hands-on investigations across all disciplines.

At Key Stage 3, pupils study science through a carefully sequenced programme of topics across Biology, Chemistry and Physics. The curriculum is designed to build strong foundational knowledge while developing key scientific skills. Regular short knowledge checks are used to identify misconceptions and support pupils in strengthening their understanding over time.

At Key Stage 4, pupils follow the AQA GCSE specifications for both Combined Science: Trilogy and the Separate Sciences (Biology, Chemistry and Physics). Assessment at this stage includes the regular use of GCSE-style questions and past paper materials to prepare pupils for the demands of the final examinations.

The Science Faculty has a strong record of success at GCSE. Recent examination outcomes include:

Combined Science	Biology	Chemistry	Physics
Grade 9–4: 57%	Grade 9–4: 88%	Grade 9–4: 88%	Grade 9–4: 80%
Grade 9–7: 7%	Grade 9–7: 33.3%	Grade 9–7: 50%	Grade 9–7: 50%

Beyond the classroom, the department offers a range of enrichment opportunities designed to inspire pupils and broaden their understanding of science. These include a Science Club for Years 7 and 8, a STEM Club for Year 9 pupils, inter-house science competitions and a range of educational visits. Recent trips have included visits to local colleges and international STEM experiences such as CERN.

The Science Faculty has an excellent team ethos and places great value on collaboration, innovation and professional development. We are proud of the supportive environment within the department and welcome applicants who share our passion for science education and our commitment to helping every pupil achieve their potential.
