# School Mission Statement

Inspired by our Gospel Values we have a shared responsibility to:

- create an environment of welcome, love and respect for each member of our learning family.
- develop the unique gifts and talents of all, striving for excellence in everything we do.
- live out our commitment to love, service and justice in the local and global community.
- nurture the journey of faith and discovery for all
- celebrate and reflect on the love of God which is at the heart of all we are.

## 1. Aims

The school aims to:

- Run an ECT induction programme that meets all of the statutory requirements underpinned by the Early Career Framework (ECF)
- Provide ECTs with a supportive environment that develops them and equips them with the tools to be effective and successful teachers
- Make sure all staff understand their role in the ECT induction programme

## 2. Scope

This policy applies all ECTs who have started, but not completed, their induction period.

## 3. Legislation and statutory guidance

This policy is based on:

- The Department for Education's (DfE's) statutory guidance [Induction for early career teachers \(England\)](#)
- The [Early Career Framework](#)
- [The Education \(Induction Arrangements for School Teachers\) \(England\) Regulations 2012](#)

The 'relevant standards' referred to below are the [Teachers' Standards](#).

## 4. The ECT induction programme

The induction programme will be underpinned by the ECF, enabling ECTs to understand and apply the knowledge and skills set out in the ECF.

Prior to the ECT serving their induction, the headteacher and appropriate body must agree that the post is suitable.

For a full-time ECT, the induction period will typically last for 2 academic years. Part-time ECTs will serve a full-time equivalent. Up to 1 term of continuous employment may count towards completion of the induction period.

The school has appointed an Appropriate Body: **Embrace Teaching School Hub**, to quality assure the induction process from commencement through to final assessment and certification from the Teaching Regulation Agency (TRA)

Appropriate bodies have two key roles:

### Monitoring of support

- Appropriate bodies will check that ECTs are receiving their statutory entitlements
- Provide ECF fidelity checks, ensuring schools are supported to provide ECTs with and ECF-based induction

### Monitoring of assessment

- Appropriate bodies will make the final decision as to whether the ECT has satisfactorily met the Teachers' Standards 5, based on the Headteacher's recommendation.

The school has appointed Delivery Partner: **Embrace Teaching School Hub** to lead the delivery of the Programme through the running of specific seminars and events as follows:

### Year 1

- An Induction/Briefing to Induction Tutors in each school
- Induction day for mentors
- Induction day for ECTs
- 12 ECT Seminars (1 may form part of Induction)
- 6 Mentor Seminars (1 may form part of Induction)

### Year 2

- An Induction/Briefing to Induction Tutors in each school
- Induction day for mentors
- Induction day for ECTs
- 6 ECT Seminars (1 may form part of Induction)
- 2 Mentor Seminars (1 in term 2 and 1 in term 3)

The Delivery Partner will:-

- Support school to ensure both Mentors and ECTs are fully engaged with the Programme and complete all modules.
- Ensure that Year 1 & 2 ECTs: Provide feedback to Teach First through the completion of the Teach First midpoint and endpoint Surveys.

School has appointed a Lead Provider: Teach First to provide the following to ECTs, Mentors and Induction Tutors across the Programme:

### Year 1

- Access to a Learning Management System (Brightspace) for ECTs, Mentors and Induction Tutors
- 6 half-termly online modules which consist of self-directed study for both ECTs and Mentors

## 4.1 Posts for induction

Each ECT will:

- Be provided with the necessary employment tasks, experience and support to enable them to demonstrate satisfactory performance against the relevant standards throughout, and by the end of, the induction period
- Have an appointed induction tutor, who will have qualified teacher status (QTS)
- Have an appointed induction mentor, who will have QTS
- Have a reduced timetable to allow them to undertake activities in their induction programme; in their first year, this will be no more than 90% of the timetable of our existing teachers on the main pay range, and in their second year, this will be no more than 95% of the timetable of our existing teachers on the main pay range
- Regularly teach the same class or classes
- Take part in similar planning, teaching and assessment processes to other teachers working in similar posts
- Not be given additional non-teaching responsibilities without appropriate preparation and support
- Not have unreasonable demands made upon them
- Not normally teach outside the age range and/or subjects they have been employed to teach
- Not be presented with unreasonably demanding pupil discipline problems on a day-to-day basis

## 4.2 Support for ECTs

We support ECTs with:

- Their designated induction tutor, who will provide day-to-day monitoring and support, and co-ordinate their assessments
- Their designated induction mentor, who will provide regular structured mentoring sessions and targeted feedback
- Observations of their teaching at regular intervals, and follow-up discussions with prompt and constructive feedback
- Regular professional reviews of their progress, to take place termly (except in terms where formal assessment is held), at which their induction tutor will review objectives and revise them in relation to the relevant standards and their current needs and strengths
- Chances to observe experienced teachers, either within the school or at another school with effective practice

## 4.3 Assessments of ECT performance

ECTs are exempt from normal appraisal procedures during their induction period.

Formal assessment meetings will take place in the final term of the ECT's first year (term 3) and the final term of their second year (term 6), and will be carried out by the Induction Tutor

These meetings will be informed by clear and transparent evidence gathered from progress reviews during the preceding assessment period, and drawn from the ECT's work as a teacher and from their induction programme. Copies of the evidence relied on will be provided to the ECT and the appropriate body.

After each formal assessment meeting, a formal assessment report will be completed that clearly shows how the ECT is performing against the relevant standards. The headteacher will also recommend to the appropriate body in the final assessment report at the end of the programme as to whether the ECT's performance is satisfactory against the relevant standards.

The ECT will add their own comments, and the formal assessment report will be signed by the headteacher, induction tutor and the ECT.

A copy of the formal assessment report will then be sent to the appropriate body. The final assessment report will be sent within 10 working days of the meeting, for the appropriate body to make the final decision on whether the ECT has passed their induction period.

In the event that the ECT leaves this post after completing 1 term or more but before the next formal assessment would take place, the induction tutor or headteacher should complete an interim assessment to ensure that the ECT's progress and performance since the last assessment is captured.

## 4.4 At-risk procedures

If it becomes clear during a termly progress review or at the first formal assessment point that the ECT is not making sufficient progress, additional monitoring and support measures will be put in place immediately, meaning:

- Areas in which improvement is needed are identified
- Appropriate objectives are set to guide the ECT towards satisfactory performance against the relevant standards
- An effective support programme is put in place to help the ECT improve their performance

The progress review record or formal assessment report will be shared with the appropriate body, alongside the support plan, for it to review.

If there are concerns about the ECT's progress during their subsequent progress reviews or formal assessment, as long as it is not the final formal assessment, the induction tutor or headteacher will:

- Continue to deliver process reviews
- Revise the ECT's objectives and support plan in line with the Teachers' Standards
- Share these with the ECT, headteacher and appropriate body

## 4.5 Capability procedures

In the event of serious capability concerns, the headteacher can decide to instigate capability procedures in line with our capability policy. They will inform the appropriate body when these procedures are instigated.

The ECT's induction process will continue alongside these capability procedures for as long as the ECT remains at the school, or the procedures are concluded.
