

# School House Council Meetings Feedback

## Topic of discussion- Feeling safe in and around school

### What pupils said

### What we did

All Houses say that pupils feel safe in school	For staff to continue being vigilant and having a high presence during non-lesson time as well as in the classroom.
The site is secure with the fencing and gates being closed at 8.50 prompt, staff on duty at break, lunch times.	Site staff to continue to lock the gates promptly
Pupils understand the lockdown procedure and appreciate assemblies and letters home raising awareness of current happenings to be aware of and how to deal with them.	To keep pupils up to date with current events that may impact pupils and how to deal with them.
Pupils know what to do if they ever feel unsafe and who to go to if there is an incident	Posters to be displayed around school to make pupils aware of the staff in charge of safeguarding
Pupils mentioned various places they felt vulnerable at the end of the day, the ginnel to the North of the school main gate, around Greedy Munchkins.	Duty staff have been made aware of these areas and will patrol them
One House mentioned the lack of staff on duty on the astro/grass area at the top of the field.	An extra member of staff to be placed on the grass area of the field to prevent pupils going past the second lighting station as well as keeping an eye on behaviour on the astro
