Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 meters when they left your primary school at the end of last academic year?	
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	

## Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for students today and for the future.

Academic Year: 2019/20	Total fund allocated: £18,690	Date Updated: September 2019		
<b>Key indicator 1:</b> The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 60 minutes of physical activity a day in school				
School focus with clarity on intended <b>impact on pupils</b> :	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
To purchase equipment to develop new sports and ensuring equipment is fully accessible and fit for use.  Further investment in equipment for Foundation Stage pupils looking at movement and gross motor skills.  Purchase equipment for playground based activities, giving all pupils an opportunity to participate in at 60 minutes of physical activity a day in school.	Identify equipment needs and staff need for specific equipment. Staff training to develop lunchtime staff confidence and needs in areas of weakness and confidence.  Larger pieces of playground equipment to engage a greater number of pupils involved in activity during playtimes and lunchtimes.  Purchase and development of traversing equipment, giving pupils opportunities to develop physical strength as well as problem solving	£2,000   £1,500	Pupils and staff have greater access to high quality equipment therefore giving a greater sense of ownership and value to the equipment and its use.  Lunchtime staff are upskilled to introduce a wider range of activities, involving a greater number of pupils and aiming for that 60 minutes of physical activity per day inside and out of school. This in turn has led to a reduction in behavioural issues during play times and lunch times as the level of opportunity increases.	

			Traversing equipment will introduce all pupils in the school to a new form of physical activity, testing grip strength and other areas they generally do not use. The impact will be another activity introduced, giving pupils a further range of activity choice.
