Dear Parents / Carers,

UPDATES

Thank you to everyone for following government guidance by wearing a facemask if you need to speak to a member of staff.

Can we remind everyone of the following:

- Drop and collect your child off at the designated times to reduce congestion outside the school gates.
- Once you have dropped off or collected your child to move away from the school entry and exit points.
- Avoid smoking and vaping outside the school gates.
- Keep to social distancing measures as advised by the government.
- Wear a face mask if you wish to speak to a member of staff.

We appreciate that it is difficult but if we all work together to ease the congestion it will make drop off and collection much easier. We are relying on parental co-operation in terms of maintaining social distancing.

The Police and PCSOs have been contacted about the issue of a minority of parents parking on double yellows and leaving engines running when cars are left unattended and are working with the school towards a more permanent solution.

Parental cooperation on all the above in these unprecedented times is so important. Again, thank you to everyone who has been working together with the school to keep everyone safe.

Yours sincerely,

A handwritten signature in black ink.

Miss P Hillman
Principal
