Friday 5th March 2021

Dear Parents / Carers,

Updated Information for whole school return on Monday 8th March 2021

Road Works

There are road works taking place directly outside the carpark school gates until Wednesday 17th March. I have been in contact with the contractors who will be doing everything they can to minimise disruption. **It is STRONGLY advisable that parents do not attempt to drive up Buckingham Street and onto Ackworth Road as parts of the road will only allow for single lane traffic.** Where possible if parent/carers can walk or bike to school as the area will become very congested.

Additional Safety Measures

Social Distancing and reducing congestion

- It is important that children are dropped off and collected at the allocated times.
- Children will be asked to line up in their class and/or year group before entry at the designated gates. Each year group will enter onto the school grounds.
- Parents / carers **must leave the area immediately** to reduce congestion outside entry and exit points.
- Socially distancing markers have been placed along the fencing to encourage social distancing.
- Parents / Carers to wear face masks when speaking to a member of staff.

IPADs

- Children who have been accessing home learning and who have a school IPAD will need to bring IPADs back into school when they return. Children are to take IPADs into classrooms, where they will be placed in quarantine and collected by a member of staff.

Attendance

A reminder that attendance from 8th March is mandatory for all children.

Reminder of Start and finish times

It is important that parents/carers drop off and collect their child at the allocated start and finish times. Please note FS2 will be entering by the side gate furthest away from Holderness Road as the weather is much dryer.

We would like to thank you for all your support in helping your child learn from home. The revised risk assessment is on our website. We will continue to keep in touch if we update our plans or if we need to make changes due to new government guidance.

We are really looking forward to seeing you all next week.

Warm regards,

Miss P Hillman
