More than a Building

it is an exciting and thrilling place to be!

We also learn fabulous facts about COCO Chanel.

We also learn interesting stuff about the <sup>mexican</sup> mediterranean.

Oh and our teachers are quite crazy and thoughtful.

They help us to learn so much for the future.

We always have a gull activity day.

We learn, eat, listen and write.

I listen like a genius.

We arrive at school and have <sup>such</sup> a fun.
