

Home school learning part 3

Maths

You might be wondering how best to help your child or children with their studies at home...

Always happy to help, the White Rose Maths Team has prepared a series of five maths lessons for each year group from Year 1-8.

They will be adding five more each week for the next few weeks. Every lesson comes with a short video showing you clearly and simply how to help your child to complete the activity successfully.

<https://whiterosemaths.com/homelearning/>

Carol Vorderman has now free access to all parents during school closures.

English

Ian Bland's website is packed with ready to use fun poetry writing activities that your children will love. Ideas include list poems, kennings, rhythm and rhyme, puzzles, powerful verbs, blackout poetry, shape poems, univocalics, mesostics and LOADS MORE! All free and ready to use.

<https://www.ianbland.com/blog/>

Listen in to David Walliams reading one of his books.

<https://www.worldofdavidwalliams.com/elevenses/>

Jane Considine is holding daily writing sessions via her you tube channel. She is asking children to join in and send her their amazing sentences so she can put them together to make a collaborative piece of writing. □ The instructions are in the first video.

Phonics

HOME LEARNING

Monster Phonics

We have been working with our Monster Phonics Schools to determine how we help support home learning.

Based on these discussions we have:

- Provided free access to all our online resources to parents of our existing school subscribers. Please continue to use your existing login.
- Extended this free access to all schools and parents nationally as schools are closed.

To access all online resources for **free** please simply log-in using the following:

Username: login
Password: homelearning

Creating confident and happy children remains our passion, and is especially important at this time.

Thanks
Monster Phonics Team

A message from The Scouts organisation

We know the coming days and weeks are going to be difficult for families across the UK, as the spread of Covid-19 causes schools to close. As the experts in developing skills and bringing adventure to young people, we want to do what we can to help.

While we normally love the great outdoors, we've pulled together some inspired indoor activity ideas (if we do say so ourselves). Keep your kids learning new skills and having fun (and avoid hearing 'I'm bored' every 30 seconds) all in #TheGreatIndoors.

Hull Information

PLEASE SHARE - HULL CORONAVIRUS HELPLINE

Hull City Council has launched a Hull Helpline (01482 300307) to support vulnerable residents impacted by the coronavirus pandemic.

The helpline has been set up for those who may have no other means of support and who may need help to access essential items and services including food, health and wellbeing and financial advice.

It is available seven days a week from 9am to 5pm. Residents should register their need for support through an online form which is now live on the council's website hull.gov.uk or by calling the Hull Helpline number on 01482 300307.

Please share details of this page with anyone who would benefit from the support available.

Read the full details on the HullCCNews.
