Useful Activities

Reconstruct

Write a sentence together. Print your writing out in big lettering including the full stop. Cut into individual words, including the full stop. Help the children to reproduce the sentence, by holding the cards in front of them. As you do more of these, collect them together and save for future use.

Expand

You can build up and develop sentences by asking questions. Child: "It's my birthday today." Adult: "How old are you?" Child: "I am five." Adult: "It is your fifth birthday today." ... and so on...

Sentence Frames
