

# Parents' Support Guide to Spelling, Punctuation and Grammar in Year 2.

#### Writing

#### By the end of Year 2 most children should know.,,

- What nouns, verbs, adjectives and adverbs are.
- How to expand sentences using subordination using...when, if, that, because.
- How to expand sentences using coordination using...or, and, but.
- How to expand noun phrases for description and specification; (e.g. the blue butterfly).
- How to use appropriate adjectives and adverbs to give essential information (e.g. plan flour rather than flour or fluffy, white flour).
- How the grammatical patterns in a sentence indicate its function as a statement, question, exclamation or command.
- How to make the correct choice of present tense and past tense.
- The use of the progressive form of verbs in the present and past tense to mark actions in progress; (e.g. she is drumming; he was shouting).
- The use of capital letters, full stops, question marks and exclamation marks to demarcate sentences. Commas to separate items in a list.
- The use of apostrophes to mark where letters are missing in spelling and to mark singular possession in nouns. (e.g. the girl's name).

#### **Useful Activities**

#### **Perfect Punctuation**

Write a short piece of text with full stops in the wrong place. Read it through together. Does it sound right? Alter it by reading through and listening to hear when the sentence is complete. Correct accordingly.

#### **Punctuation Spotter**

Print off a piece of text from a book, magazine or the internet. Go through this, highlighting all of the capital letters and full stops. Make a chart to record, "When do we use capital letters?" Do the same with question marks, exclamation marks or verbs and adjectives.

#### Finish the sentence

Give your child some sentence stems and conjunctions – e.g. The dog ran over the road... when, because, next, etc. Children compose appropriate endings. Discuss. Are the endings interchangeable? Does the meaning change according to the conjunction being used?

#### Stretchy sentences

To make the sentences longer you need to add more information. e.g. The boy went to the park. The **happy**, **young** boy went to **play with his friends** at the **huge**, **exciting** park. or... The **tall**, **brown haired** boy **was fed up** so he went to the park **to play with his friends on the fantastic**, **big climbing frame**.
