Dear Parents / Carers

Breakfast Club and After School Provision

Since coming back after the Easter holidays, I have had several enquiries about Breakfast Club and After School Provision. At this stage we are unable to accept any more children. This is being reviewed on a regular basis as the restrictions are eased nationally but, we must also take into consideration what is happening locally.

I appreciate that this maybe frustrating for some families but as a school it is our priority to ensure that we are providing a safe space for children and that there is no cross over of class bubbles.

Thank you to all parents who are keeping us informed of any positive cases and responding inline with government guidance.

Your cooperation in this matter is appreciated.

Yours faithfully,

Miss P Hillman
