

FS2 showcase 2021

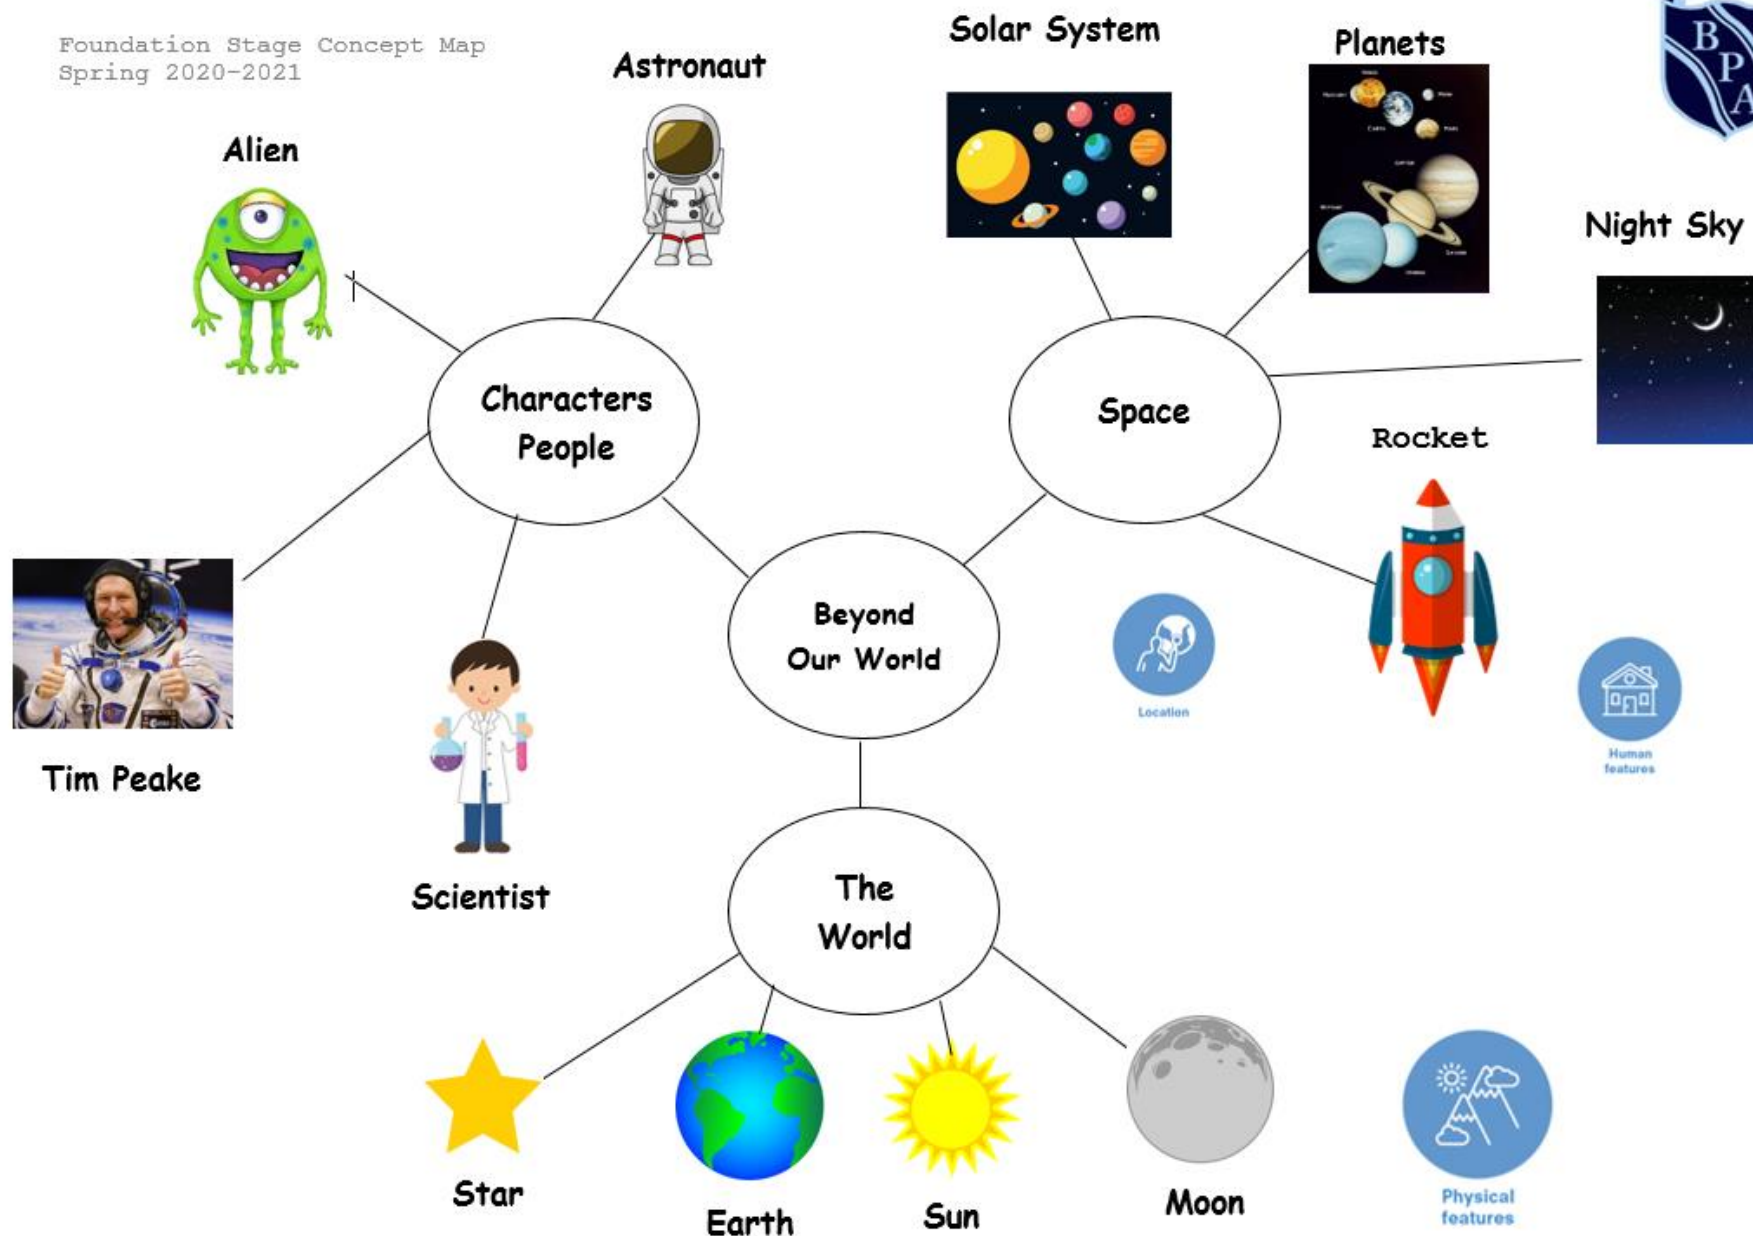

In FS2 we have been learning about Space.

Our enquiry question is:

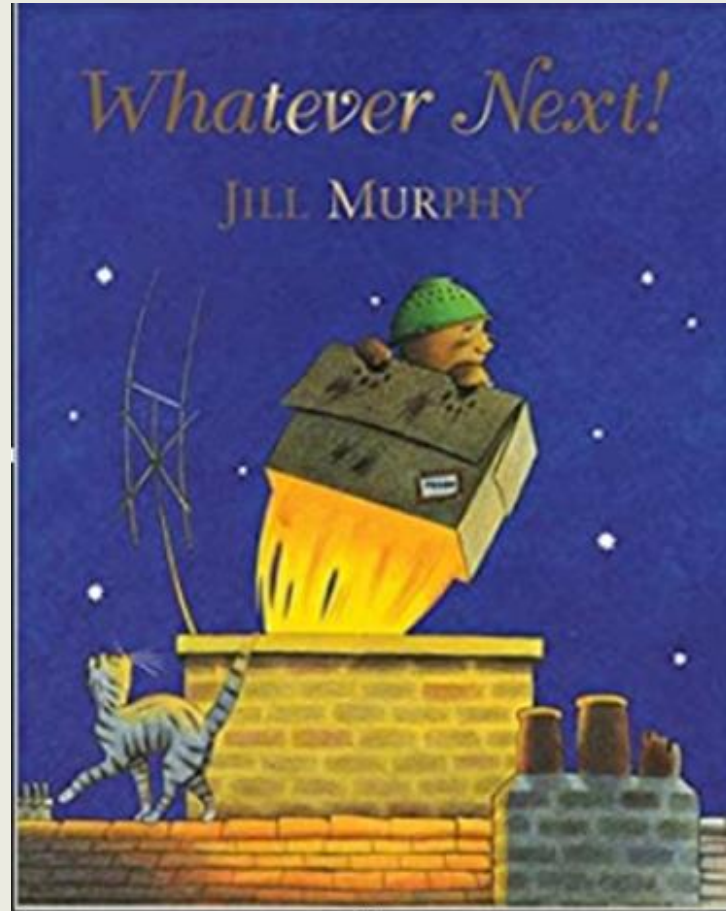

Do Aliens really exist?

We looked at the text "Whatever Next" by Jill Murphy.

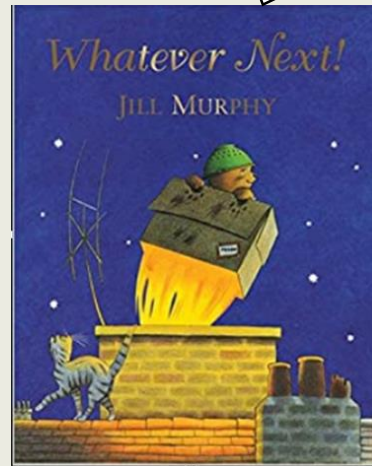

What can we see on the front cover?

A cat
A bear
A rocket
The title
The author
A bear flying to the moon
Stars in the sky
Front cover
Charlie

Stars
Fire
Box
Cat
Grace

Chimney, stars,
bear
Alexandru

I can see cardboard rocket
Flames
Bricks
Cat
Chimney
Dark sky
Stars
Teddy bear
Paws marks on cardboard Oliver

cat
bear
fire
stars

Ava

CAT
CHIMNEY
STARS
ROCKET
TEDDY

Danielis

Stars chimney
Afield fire Kian
Cat
Bear colander

Foot prints
Cat
Ariel
Muddy clothes
Chimney
Stars
Title
Author Emily

During remote learning we worked hard in Literacy.

We predicted what we thought would happen in the story.

I think that the story is about bear who is going to the space or maybe moon. He will meet a green alien and they will play TICK and dance maybe.

The bear goes to the moon

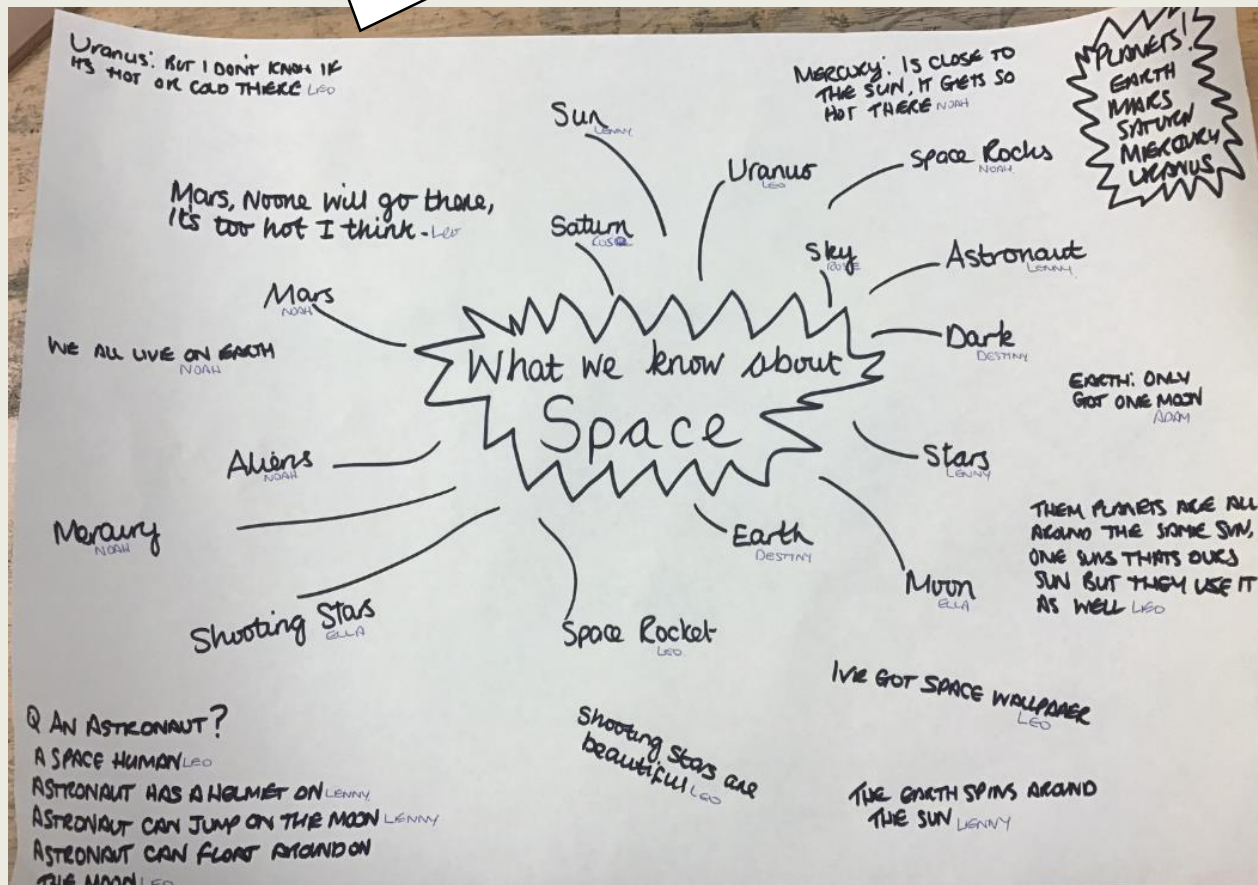

At home we recreated
the front cover from
"Whatever next"

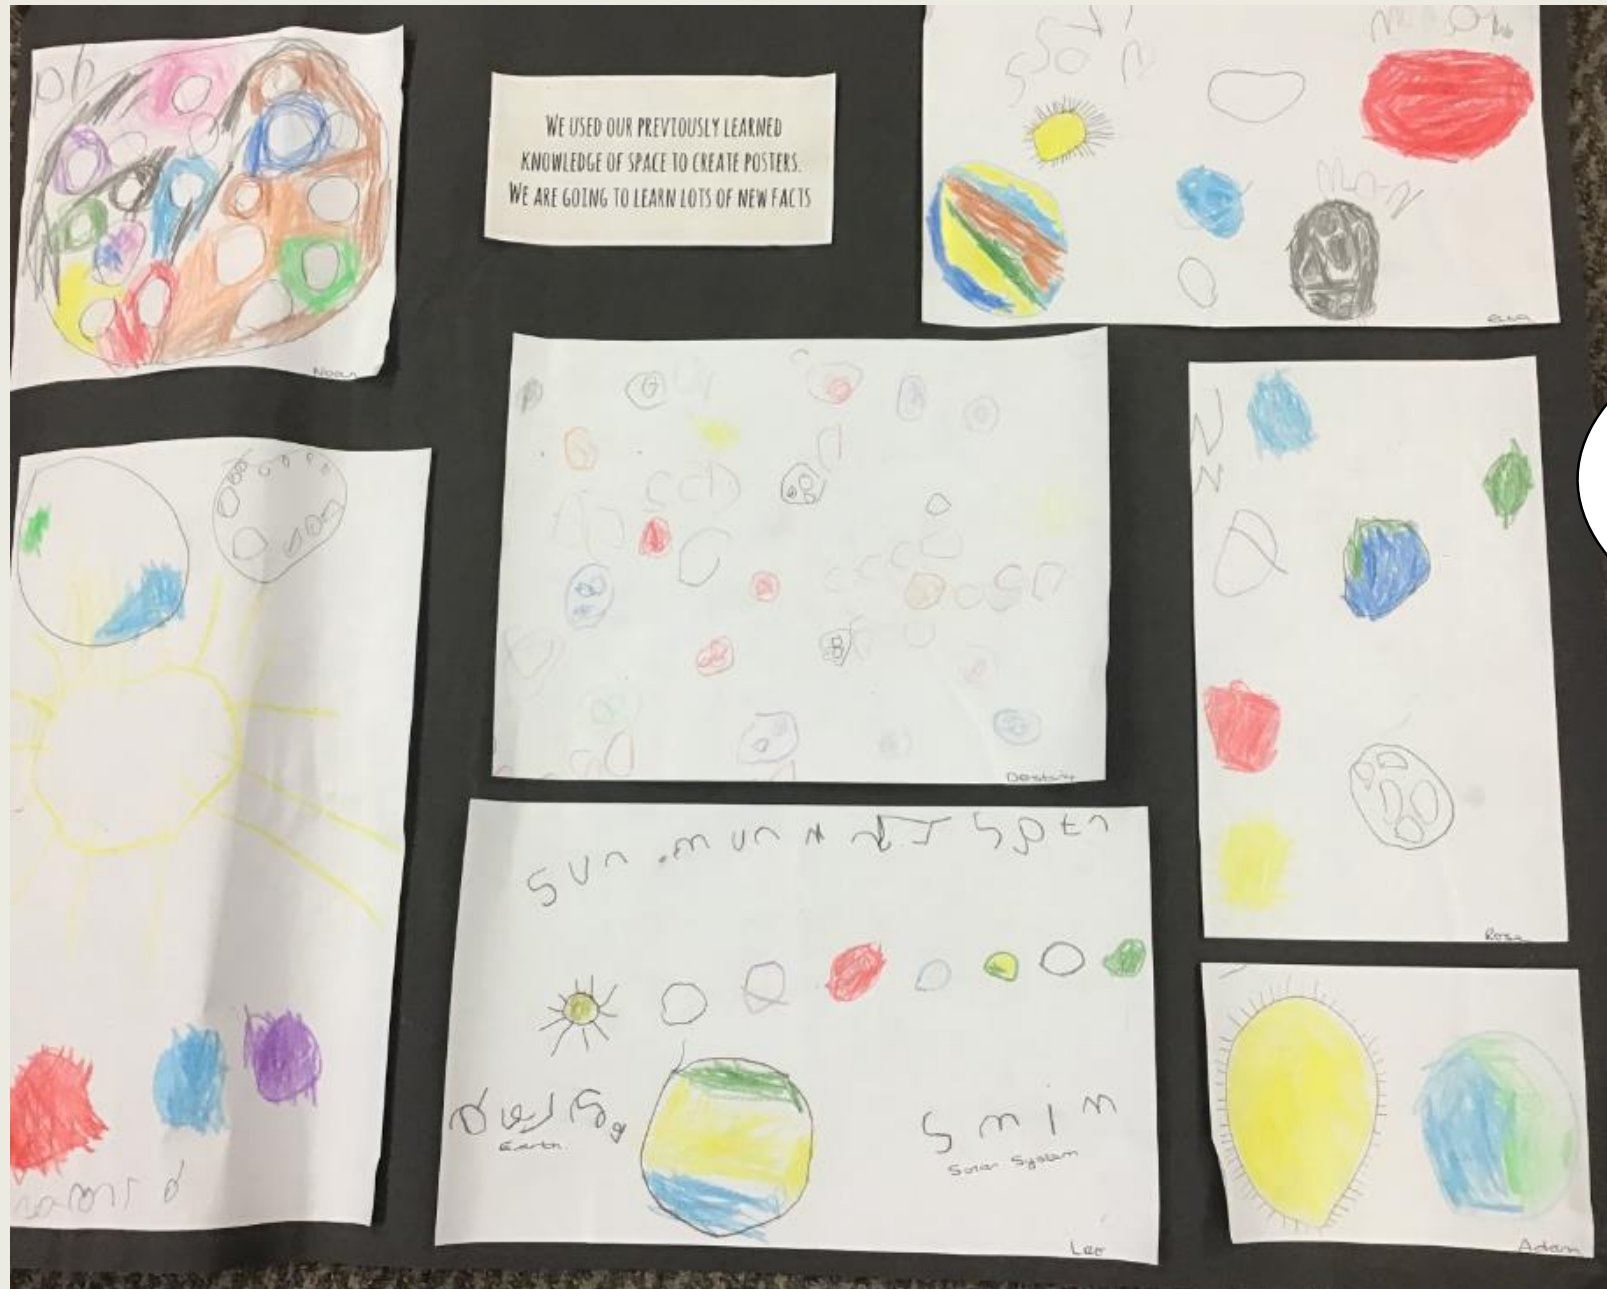

In school we made jam
sandwiches and had a
picnic.

We shared our
knowledge of space
and our solar system.

Space	
What We Know	What We Want To know
Mercury is the closest planet to the Sun- James	How big is the Earth? James How big is Jupiter- Ella Do Aliens really exist- MISA
The milky way is Stars- Noah	Why does a rocket have fire? Nevada
There is eight planets in our Solar System- Lenny	How does a rocket fly- Ella Why does things float in space- Destiny
Astronauts can jump really high on the moon- Nevada	Where can we look for the answers to our questions?
Asteroids are rocks, they can crash into Earth- Leo	X-men- Charles Xavier- James
The Sun is a ball of fire- Leo	Google- James
The 'Asteroid Belt' is near Jupiter and Mars- Ella	Internet
	Ask Alexa- Ella
	Ask an Astronaut- Lenny
	Look in Books

WE USED OUR PREVIOUSLY LEARNED KNOWLEDGE OF SPACE TO CREATE POSTERS. WE ARE GOING TO LEARN LOTS OF NEW FACTS

We created posters
about space.

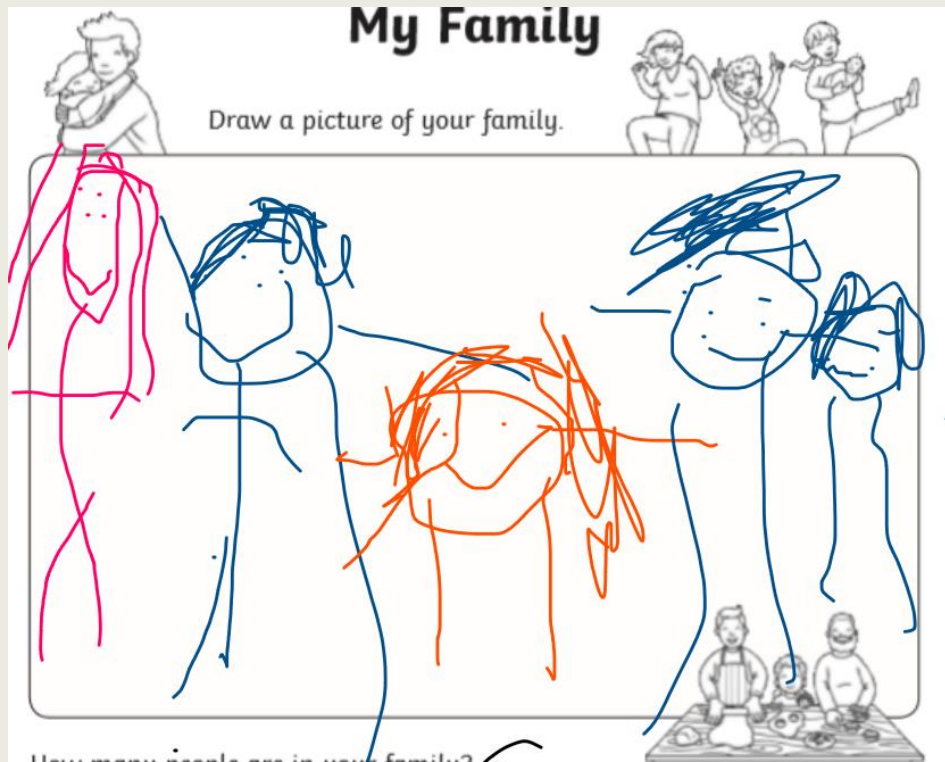

Our Power of reading
text is "Astro Girl"

This is Astrid and her
family. We talked
about who is in our
family.

We drew pictures of our families in a heart. We love our family.

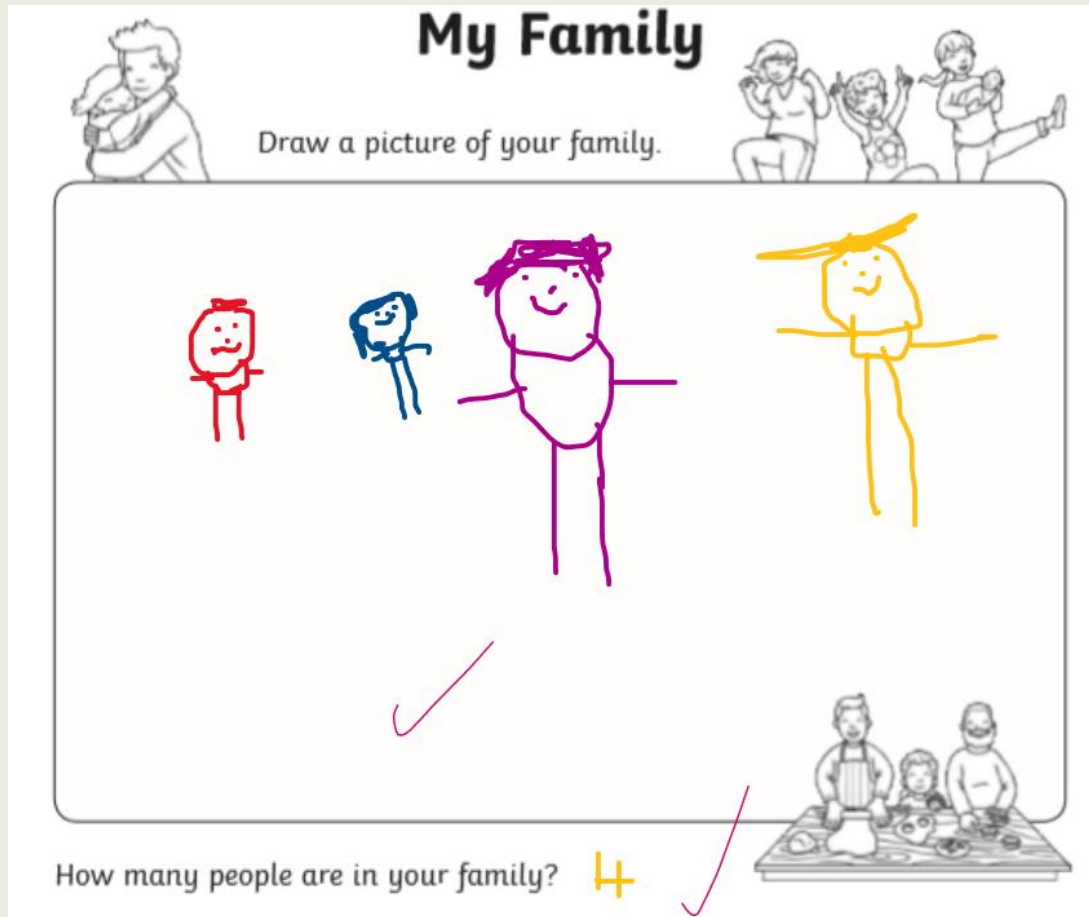

Grace

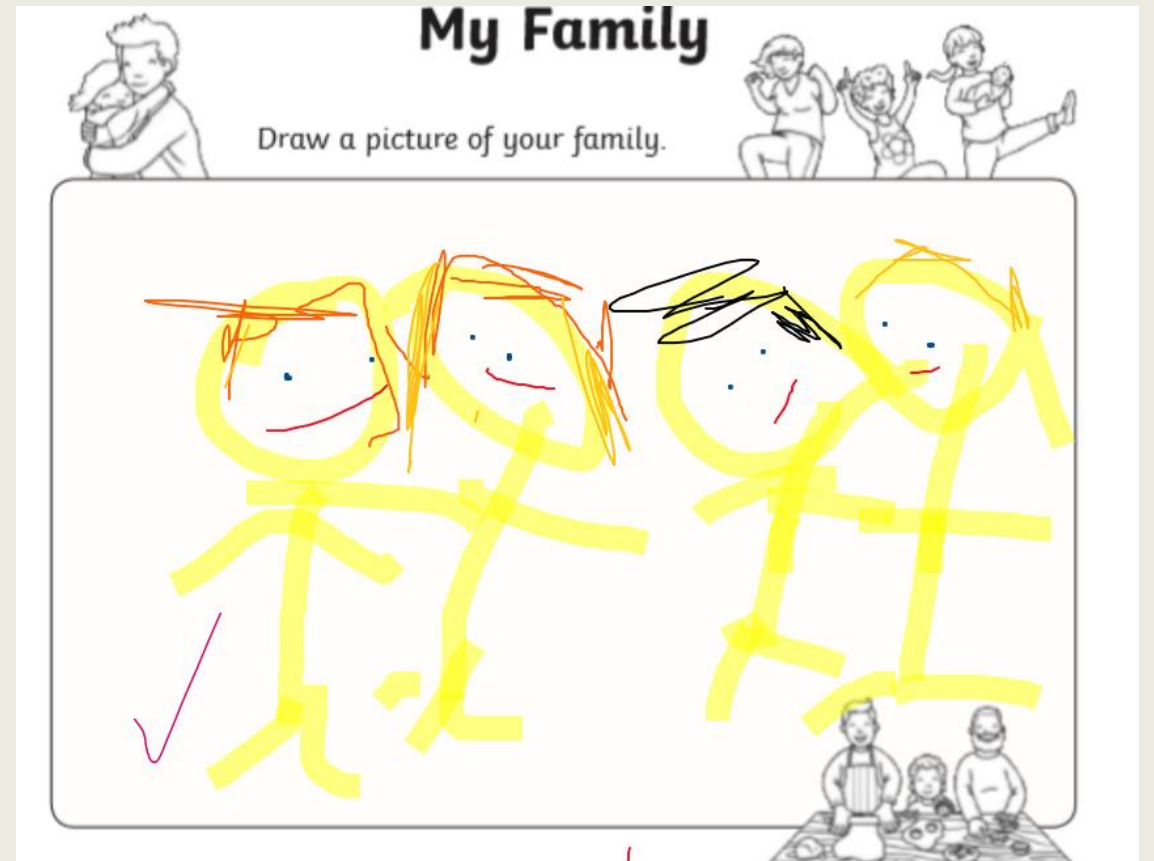

We have drawn pictures of our families.

Marnie

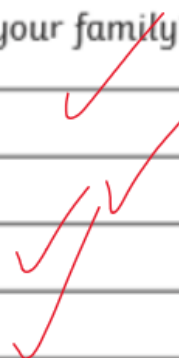

Danielis

Emily

Can you write the names of the people in your family?

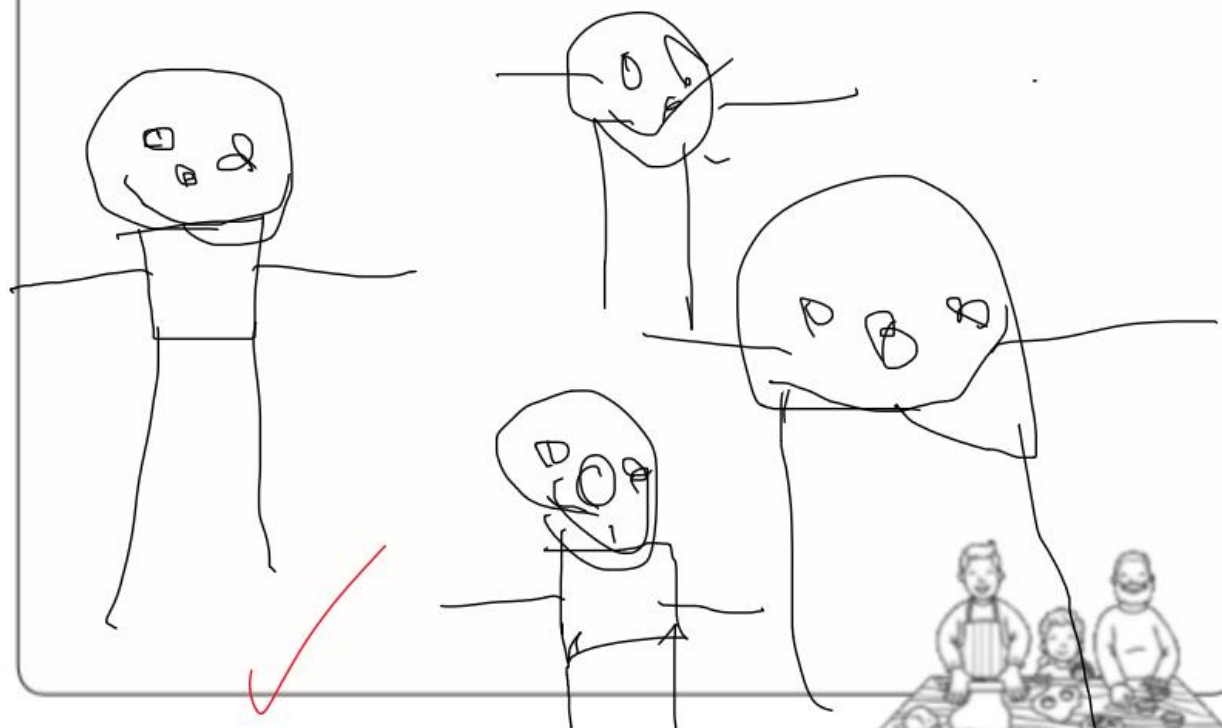

ALEX
CRISTINA
DENISA
OVIDIU

Charlie

My Family

Draw a picture of your family.

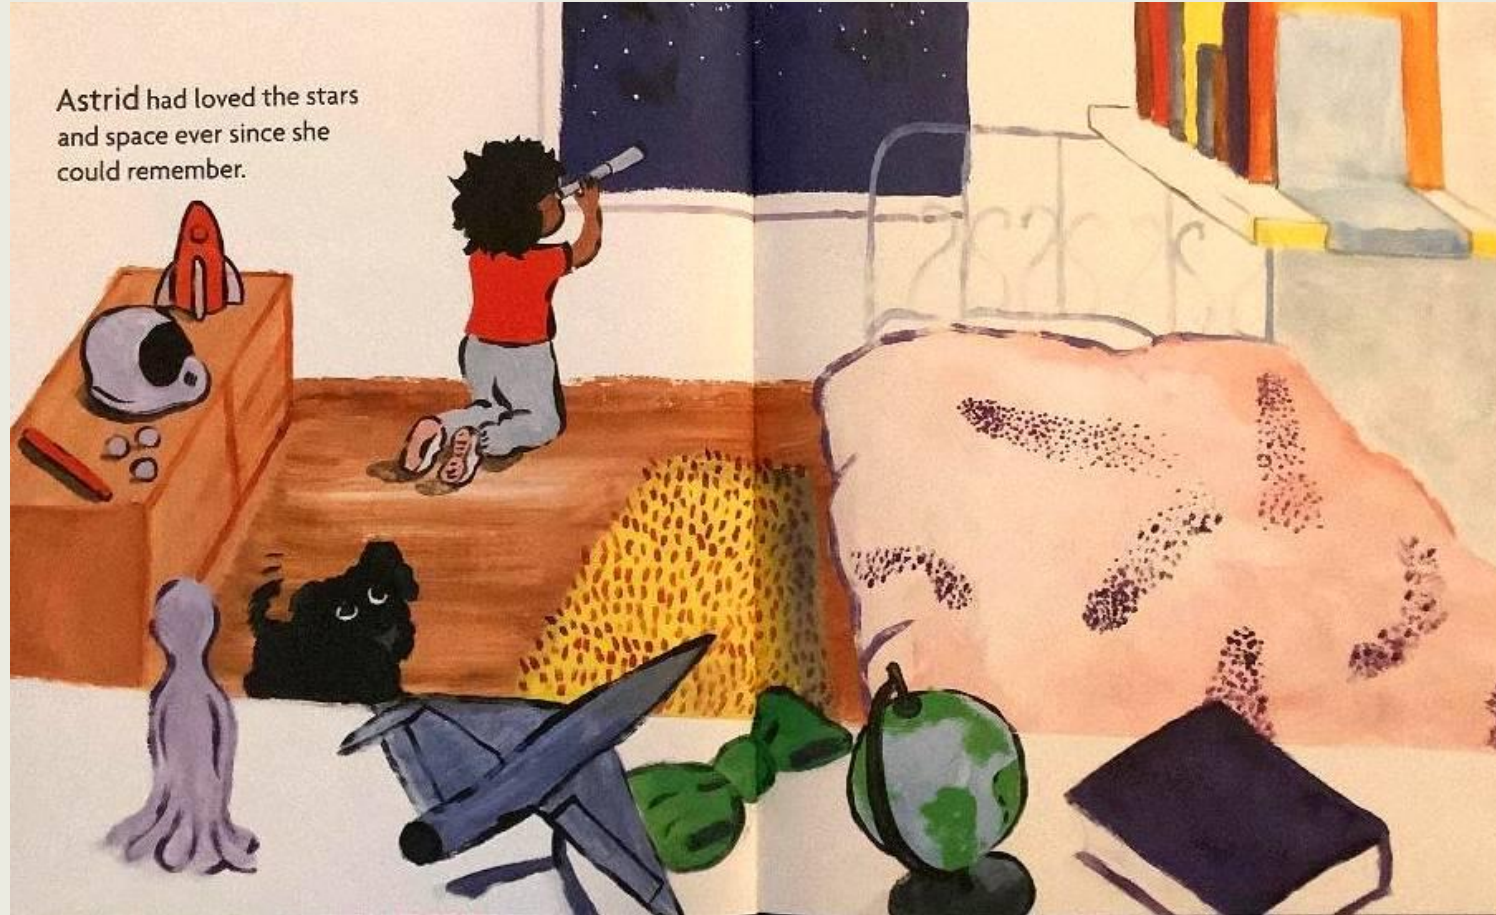

Alexandru

Astrid loved space. We have loved finding out lots of new facts about space too.

Space	
What We Know	What We Want To know
Mercury is the closest planet to the Sun - James	How big is the Earth? - James How big is Jupiter? - Ella Do Aliens really exist? - MISA
The milky way is Stars - Noah	Why does a rocket have fire? - Nevaeh How does a rocket fly - Ella Why does things float in space - Destiny
There is eight planets in our Solar System - Lenny	
Astronauts can jump really high on the moon - Nevaeh	
Asteroids are rocks, they can crash into Earth - Leo	Where can we look for the answers to our questions? X-men - Charles XAVIER - James Google - James Internet Ask Alexa - Ella Ask an Astronaut - Look in Books
The Sun is a ball of fire - Leo	
The 'Asteroid Belt' is near Jupiter and Mars - Ella	

Astrid had loved the stars
and space ever since she
could remember.

FUN FACT...

ASTRONAUT IS A
GREEK WORD.

IT MEANS
STARSAILOR

We are learning 'Fun Facts'
We know this means they are
TRUE!!

This one is our favourite
So far!

WHAT IS AN ASTRONAUT?

The do
astronauts
float in
space

Astronauts
are like
starsailors
because they
go to space

Astronauts
are people who
go into space
and do work
there

They have
special suits
to keep them
alive in space

Astronauts
don't have to
fly in space
ships
LEO

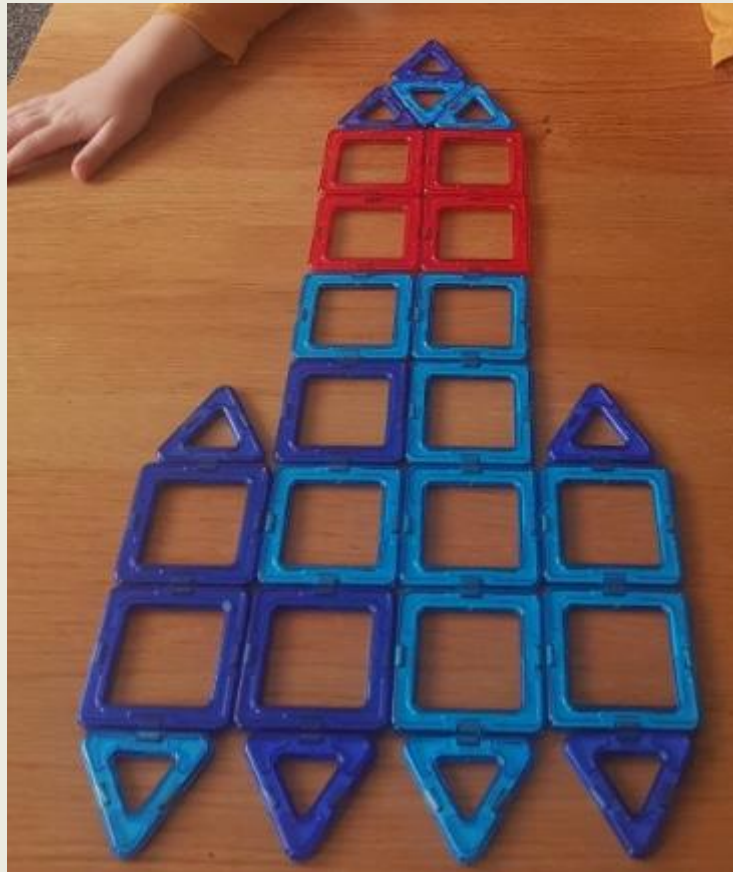

They can
float
— when
astronauts
are in space
LEO

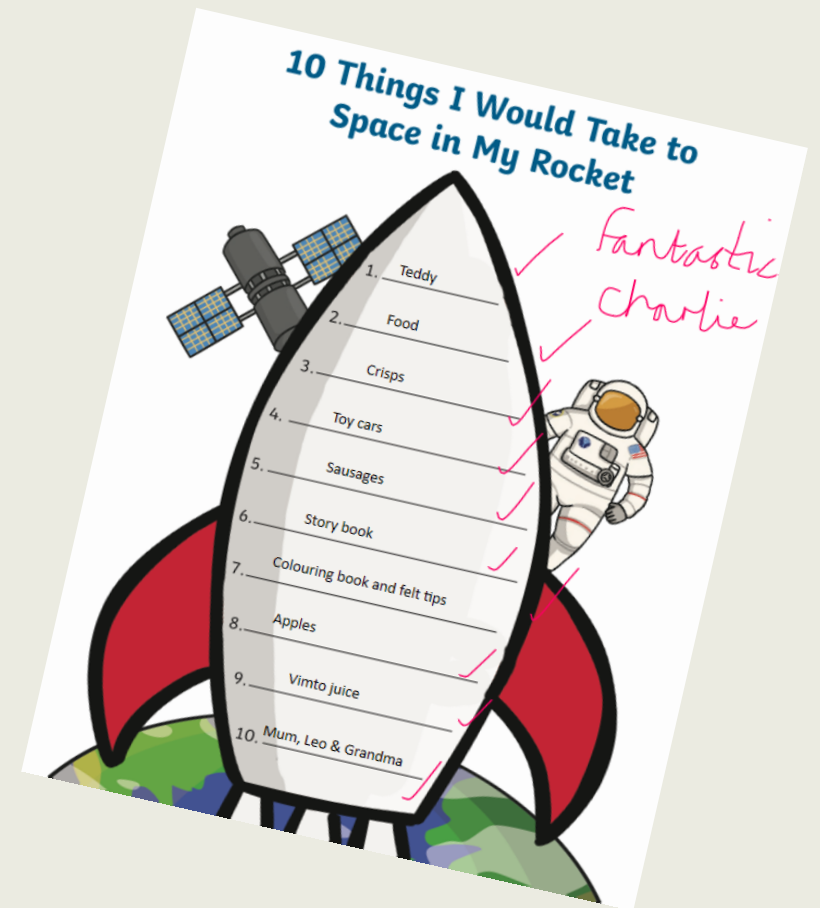

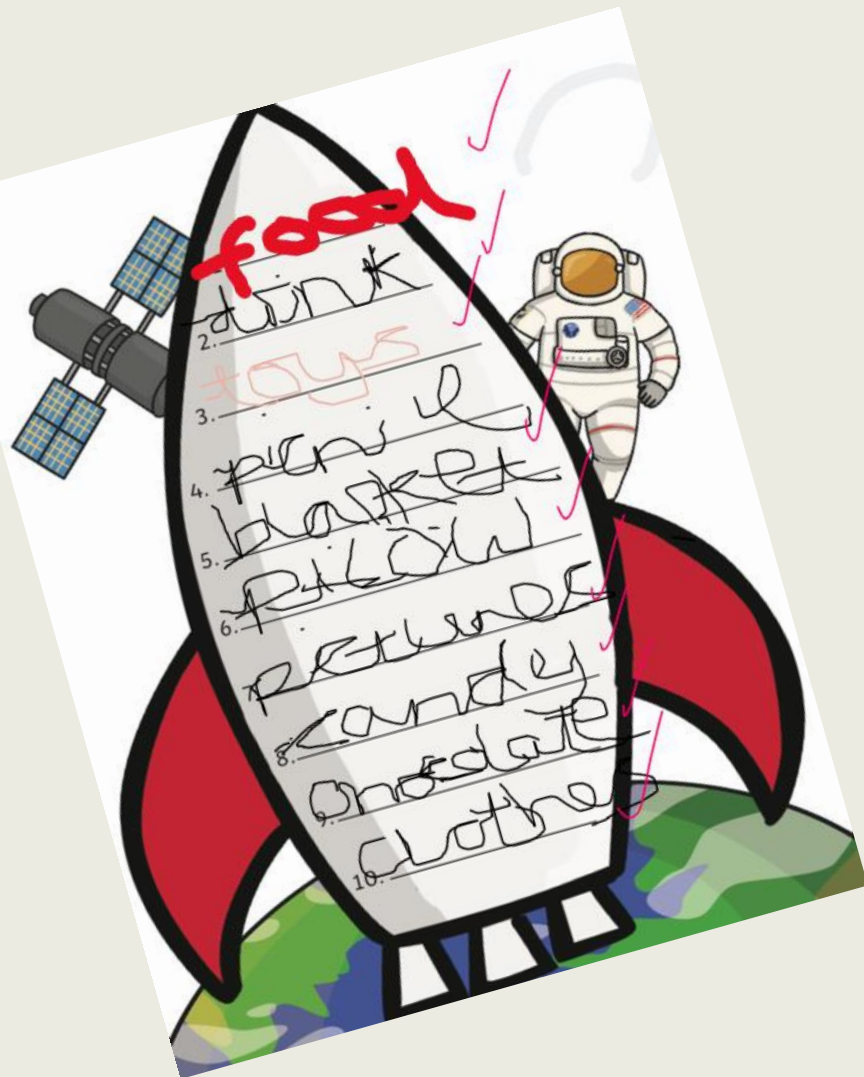

Their helmet
is like a big
sunglasses
LEO

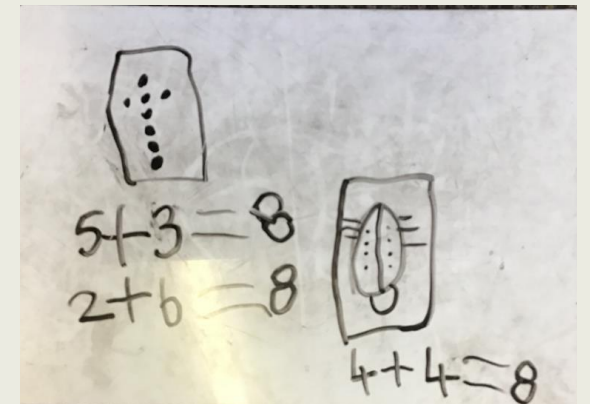

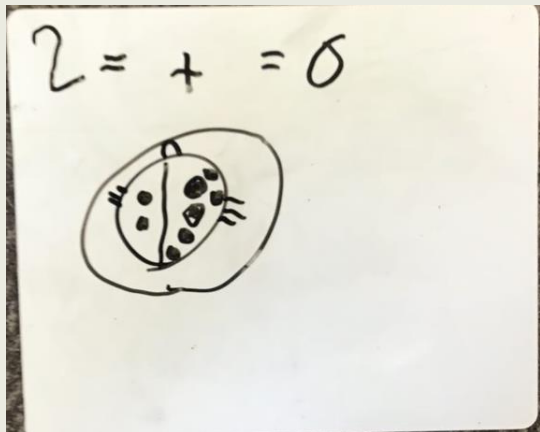

Astronauts
are like
scientists and
professors they
know a lot
LEO

Rockets

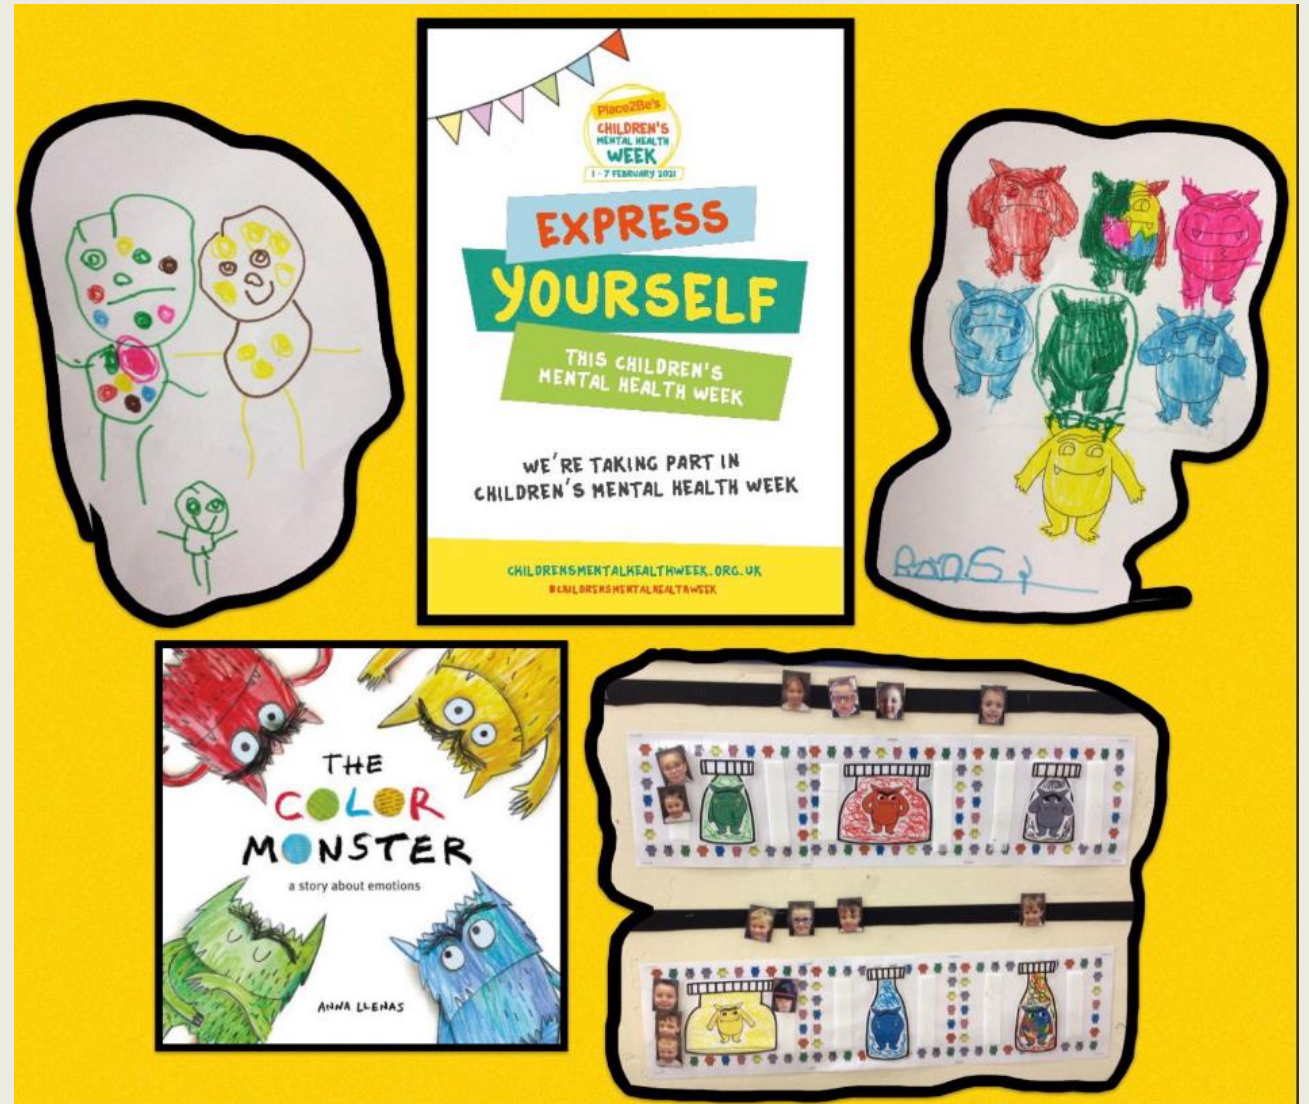

We are mathematicians.

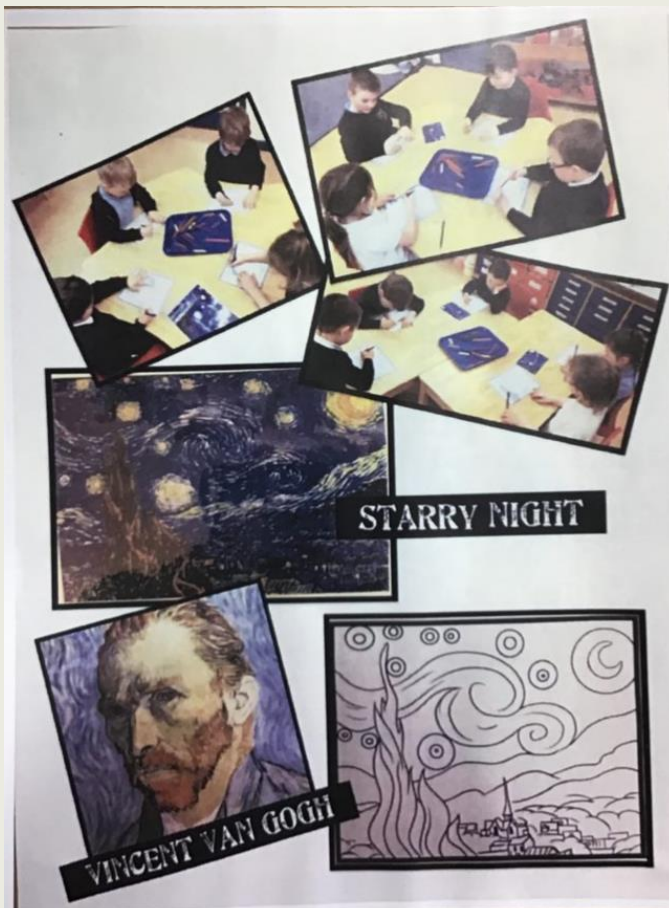

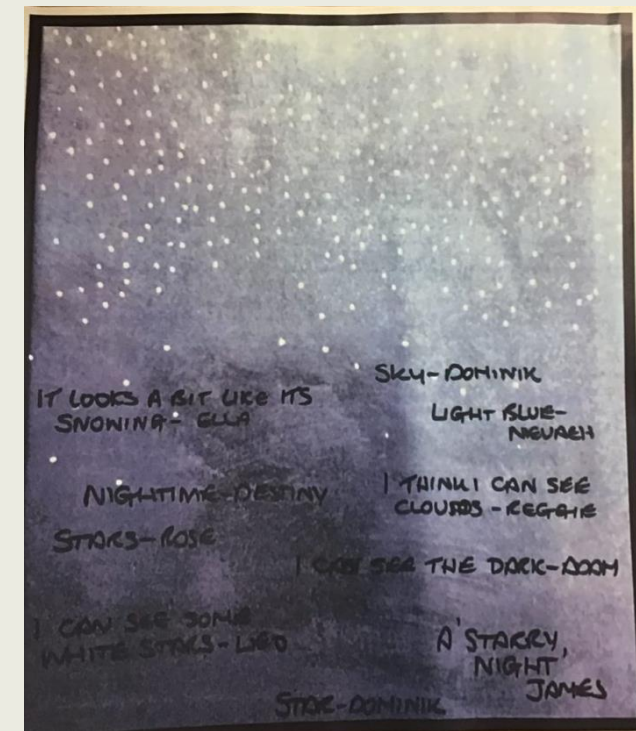

We read the story "The colour Monster"
It helped us to talk about our feelings.

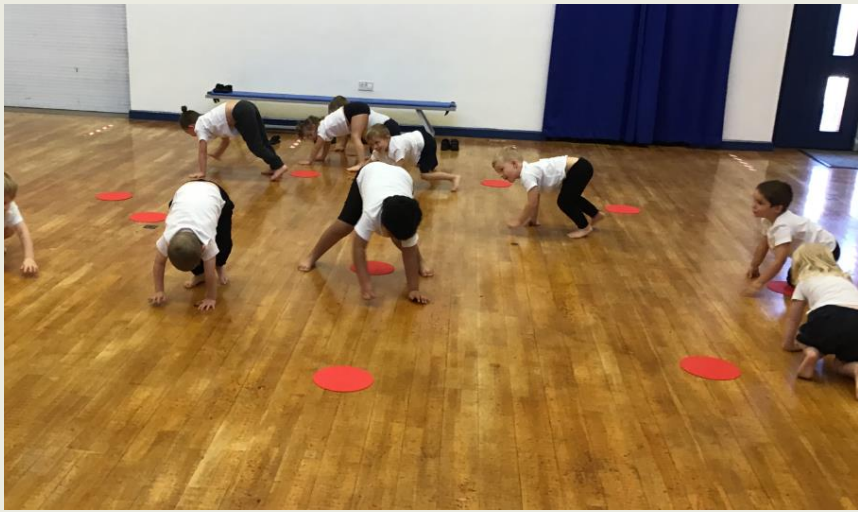

We are artists

We studied the artist Van Gogh. He painted "Starry night"

FS 2 have loved their PE sessions. Amazing behaviour and fantastic listening skills 😊😊

PIC•COLLAGE

Easter fun

Dove House
Bunny run

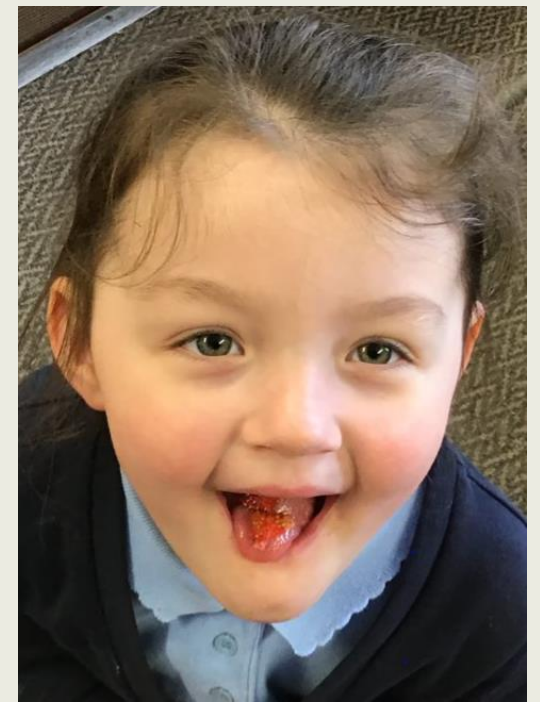

Science week

FS 2 investigating how to
purify water 💧

PIC•COLLAGE

We tasted
astronaut food.
We had freeze
dried
strawberries
and ice-cream!!
