

A message from Mrs Brown

I am incredibly proud of the children this term. We have been very busy with annual testing in Year 6 and Year 2 but this effects the entire school as children are requested to move rooms, walk in silence and take special care of each other. A huge thank you to all the children for their consideration of each other. The assessments will continue into the summer term two as we prepare to find out the progress children have made in all year groups, as well as carrying out annual phonics checks for Year 1 when we return. I know how hard all the children have been working to prepare.

Have a lovely holiday everyone!

Mrs Brown

Uniform standards

Sadly, standards in Uniform have slipped this half-term including for PE. Please be aware of the policy expectations. The full Uniform Policy can be found on our website but I have extracted the information regarding non-compliance for your ease and immediate consideration.

Thank you in anticipation of your support next half-term.

Non-compliance with the School Uniform Policy

If a child breaches the uniform policy, the teaching team will discreetly talk to them to find out why they are not in uniform and to remind them of the need to wear one. If this does not have any effect the teacher will talk to the parent directly. The next stage will be a referral to the headteacher who will write a letter, notifying them of this breach.

Collective praise for wearing uniform as well as reminders of the need to do so will also be given to classes within assemblies.

The Head Teacher or Deputy Head Teacher may feel the need to contact parents / carers to bring some suitable uniform to school immediately. As an alternative to this, a supply of spare uniform will be kept in school and children may be asked to change into this.

We understand that there may be some exceptional and unavoidable situations where children may have to come to school without a part of their school uniform (lost or damaged) then we ask parents to contact us on the day to confirm the reason.

Gardening Club donation

We mentioned a few weeks ago about a donation from the Women's Institute. They kindly donated a wooden planter. Earlier this week 2 ladies from the Institute came along to donate some plants to go in the planter. One of the ladies has a special connection with our school - her daughter is Mrs Blake!

Many thanks to the Women's Institute and Works4U, Ridgehill team for their wonderful donation.

Book Sale

Thank you to Mrs Thompson and everyone who supported the book sale yesterday. We managed to raise a massive £127.20. All funds will go towards our new gardening project. Thank you all for your support. Mrs Thompson is hoping to fit another book sale in before the Summer holidays, so keep any look out for the date.

In the Community

One of our Yr6 students, Faizan, was invited to attend the milestone event "Signing of the Steels" last Friday at his new Secondary School Brian Clarke Church of England Academy.

The Signing of the Steels is a time-honoured tradition in commercial steel construction. It is an official observance celebrating the completion of the building's framing.

On Saturday Erin, UKS2, completed at 10k walk for the MS Society, raising £300 (and counting!) We are very proud of her.

Well done Erin from all at Buckton Vale Primary.
