Week ending 30.09.22

*Opening up the world for our children and families.*

Dear Parents / Carers,

This week in school we have been working very hard on understanding how the words that we use affect other people. On Tuesday, we all took part in an assembly all about 'The Power of Words' and how, once we have said something, we cannot take it back. We discussed the effect that name calling has on the feelings of others and how we should use our words to positively impact on each other. This assembly was then revisited during our Well-being Wednesday class assembly where the children discussed language which is and is not acceptable in a school setting.

As a school, we continue to review break and lunchtimes and the activities available to the children to make these times as enjoyable as possible. This week, we have introduced a range of activities including balancing boards, scoop and balls, catching cup and balls, balancing domes and hula-hoops. As you can see from the photos below, the children have thoroughly enjoyed using these and have shown themselves to be very responsible at looking after these resources and clearing them away sensibly and neatly at the end of lunchtime. A huge thank you to all of the Lunchtime Supervisors for their hard work in making lunchtimes so much fun!

On Monday, the children in Year Four enjoyed a Roman Day provided by the educational company, History off the Page. The children enjoyed being immersed in life as a Roman citizen and took part in various creative activities including making mosaics, wax tablets, clay charms, thumb pots, necklaces and scent bags. As you can see from the pictures below, the children thoroughly enjoyed their day and gained a lot of understanding of time in Roman Britain.

Along with this week's newsletter, please also find homework menus for each year group. The children are free to select activities that they would like to complete and can bring the completed pieces in to their class teacher for marking.
