

Dear Parents / Carers,

Lots of exciting things have happened this week, culminating in a motivating assembly today to introduce the 'Sport for schools' fundraising event that we will be running on May 20th. Your child will bring a sponsor form home tonight to raise money for sporting equipment for school. Further details below!

In Year 2, the team are busy planning their trip to Hunstanton—a letter is coming home tonight with all the details and the date for this is June 7th. This will link to their current Geography topic and will deepen children's knowledge of our coastline. We are so lucky to be close to the Norfolk Coast and the children will have a fantastic day of fun and learning!

Year 6 children enjoyed their virtual visit to the **Scott Polar Museum** this week, learning about his expeditions, what equipment they took and how the team survived in challenging conditions. I found out from the group of Year 6 children that I chatted to, that Scott and his fellow adventurers even resorted to eating their own horses and penguins as they didn't have enough rations for the entire journey! The children will use this experience to inform their next piece of writing, and add to their Geographical knowledge of biomes.

Our Burrowmoor Buddies have been supporting younger children on the playgrounds as usual, and we have begun the process of setting up a School Council—watch this space for details before the end of term. We can't wait until the results of the applications come in!

We all wish Mrs Lawrence-Tombs well as she leaves today to begin her maternity leave—good luck with the new arrival! In her absence, she will be replaced by Ms. Lagerman-Warby who will be on the front desk every morning, please do pop and see her if you have any general queries about lunches, attendance or ParentPay.

Thank you all for your ongoing support and I wish you a wonderful weekend!

Ms. Lucca

Forest School

On Friday, Year 5 children built fortresses and made basecamps during Forest School. They learned how to fortify them against attack and how to feed their troops and cooked up some delicious muddy recipes for the workers!

They decided that camouflage would be a great idea so that they could sneak up on their friend's bases together with a look out up the tree as an early warning system for invaders. #Activelearners!

Sports for Schools

We are really excited to be running a Sports for Schools event on May 20th. Sports for Schools is a social enterprise that brings the country's top athletes to primary schools to run energetic events that inspire kids to be more active and pursue their goals. The athletes are fantastic role models who show the children the power of hard work, perseverance, grit and resilience.

Please consider sponsoring your child to complete a fun fitness circuit alongside the athlete. The money raised will be used by Burrowmoor to support greater physical activity in the school and also to enable Sports for Schools to keep running and support top athletes to compete and train at the highest level.

Sponsorship forms will be sent home today, Friday 6th May. Money can be donated online via a fundraising page or brought into school on Monday 23rd May.

Our visiting athlete will be Sean Rose a GB Paralympic skier and adventurer who now lives in Cambridgeshire. A world class sportsman and adventurer, Sean is a double winter Paralympian as well as a skiing and water skiing champion. Check out the information here!

Cricket Coaching

Thanks to March Town Cricket Club and the visiting player for the coaching this week, hopefully we will have some aspiring cricketers in Burrowmoor!

Don't forget to look at the club opportunities for children—'All Stars' and 'Dynamos'.
