

Science

Archimedes Research

Draw a picture of Archimedes' "Eureka!" moment. Include a thought bubble showing why he was so excited.

What was invented in Ancient Greek times? Make a fact sheet.

Design a comic strip retelling Archimedes' famous bath.

Write a newspaper event recounting Archimedes famous bath. Include as much detail as possible.

Find out as much as you can about Archimedes life and use this information to write a short biography of him.

History

The Olympics!

The Olympics committee have asked you to create a new Olympic sport.

Explain the rules of this new sport. Include diagrams to help your explanation.

Homework Menu Year Five

D.T.

Design and make a model of an Ancient Greek building such as The Parthenon and explain why it was important to the Ancient Greeks. You could use recycled materials, Lego or any building construction material.

Greek Food

Greek Recipe Instructions

Research and cook a Greek meal, write the recipe for it and do not forget to include a photo or drawing!

Labyrinth

Design and make your own Labyrinth. This could be made out of Lego, recycled materials or string.

Science

Design your own marble run.

Have you ever tried to make your own marble run? Using just cardboard, tape, a flat surface and a marble, you can be as imaginative and creative as you want!

This activity could be attached on cardboard on a wall, a door, a fridge or even made in a large cardboard box.

English

The Ancient Greeks made up stories called myths to help them understand the world. Their stories were tales of gods, heroes and mythical creatures. Find a Greek myth or make up your own Greek myth and present it however you wish. It could be as a comic strip, a playscript or as a storybook.
