

## Science

In Science we are been learning about Sound. Can you investigate different sounds around your home and garden? How many can you find? Can you then order sounds from lowest to highest pitch?

## History

The Roman Empire spanned many countries and was greatly admired in its time. Can you choose a country which was part of the Roman Empire and research how it became part of it? You may also wish to investigate the changes that occurred due to Roman rule.

## Homework Menu Year Four

### D.T.

Roman occupation in the England and 'attempted' occupation of Scotland has left the land marked with some extraordinary buildings and forts. One of the most prolific being Hadrian's Wall.

Can you investigate Hadrian's Wall and make a model of this impressive fort? You may wish to represent just one section or create a model of the whole thing.

<https://www.english-heritage.org.uk/visit/places/hadrians-wall>

## Art

Romans loved ornate buildings and statues which they used to honour their Gods. Can you recreate or redesign your own tribute to a Roman God?

This can either be done in a traditional style or have a modern twist. You may also choose between creating a 2-D or 3-D version.

## Maths

In the Roman era they had their own way of representing digits. These were called Roman numerals. Can you use Roman numerals to complete some addition and subtraction number sentences?

|        |          |         |           |
|--------|----------|---------|-----------|
| 1 I    | 11 XI    | 30 XXX  | 500 D     |
| 2 II   | 12 XII   | 40 XL   | 600 DC    |
| 3 III  | 13 XIII  | 50 L    | 700 DCC   |
| 4 IV   | 14 XIV   | 60 LX   | 800 DCCC  |
| 5 V    | 15 XV    | 70 LXX  | 900 CM    |
| 6 VI   | 16 XVI   | 80 LXXX | 1,000 M   |
| 7 VII  | 17 XVII  | 90 XC   | 2,000 MM  |
| 8 VIII | 18 XVIII | 100 C   | 3,000 MMM |
| 9 IX   | 19 XIX   | 200 CC  | 4,000 M̄V |
| 10 X   | 20 XX    | 300 CCC | 5,000 V̄  |
|        |          | 400 CD  | 10,000 X̄ |
