

Science

Go on a material hunt around your house and garden. Make a list of all the different materials you find.

Can you make a toy using the materials you have around the house? Make sure to think about their properties first!

Homework Menu Year One

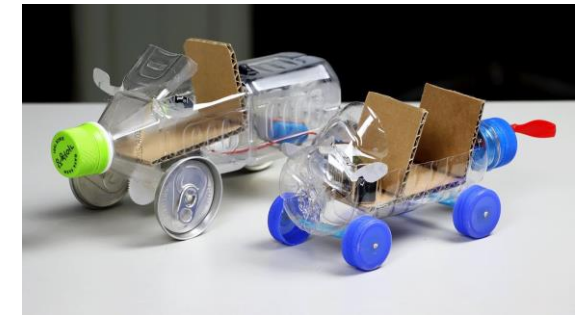

PE

Practise your throwing and catching skills!

DT

Can you make a moving toy vehicle out of recycled materials?

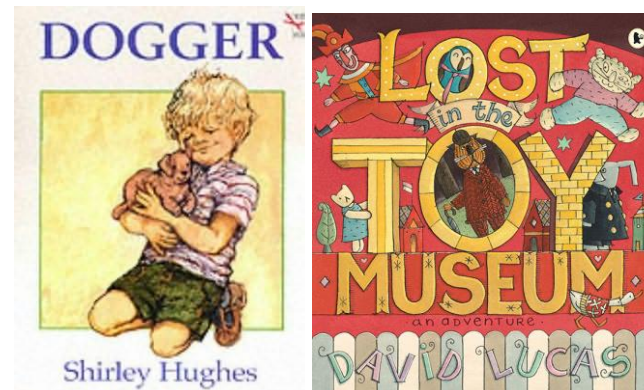

History

Interview an older relative about their experiences when they were younger and the toys that they played with.

Make an information leaflet about the toys your older relatives played with!

English

Write a story about an adventure you could go on with your favourite toy. Make sure you include capital letters, finger spaces and full stops.

PSHE

Create a poster explaining how to be a good friend.

RE

Visit your local church! Remember to ask many questions.

Computing

Practise your mouse and keyboard skills using this website:
