28th January 2020

Dear Parents,

Smart Watches Notice 2020

Since Christmas there has been an increase in the number of smart watches in school. They are very expensive and we do not advocate such items being in school. Not only this, our behaviour policy on the website states:

‘Digital equipment and devices that can access the internet including phones/music players/watches/games consoles etc. are not allowed out/must not be switched on in school. If an item is seen/heard it will be confiscated until the end of the day without exception. The item will be placed in reception.’

This includes Apple watches, Samsung watches and Fitbits for example the versa – anything with internet connectivity.

All students will have been read this message by their Tutor on Tuesday and this will be strictly enforced from the start of school on Wednesday. As ever, we appreciate your support on this matter.

Yours sincerely,

Mrs MacLaren

Head of School
