Dear Parent,

1st April 2020

Cancellation of Trips/Visits

I am writing to inform you we have made the difficult decision to cancel the Exchange Trip that was due to take place between the following dates:-

Spanish students and staff to England - Thursday 7th May to Thursday 14th May 2020

English students and staff to Spain - Thursday 15th October to Thursday 22nd October 2020

We appreciate this visit is a number of months away and the current restrictions on travel may well change in the coming months. Nonetheless, there are so many variables which may have an impact on this, for example, the coronavirus pandemic resulting in changes to a family's financial situation or the stability of the hotel or travel companies moving forward. As a result, we have concluded that cancellation is a sensible course of action. Additionally, we feel it would be unfair to continue to request payments for upcoming visits at a time when parents are prioritising money for basic essentials when these trips may well be cancelled eventually by the providers.

If you have paid a £200 deposit, this will be refunded today.

We understand that your child will to be disappointed and we will do all we can to ensure that there will be other (if not the same) opportunities to come. Educational visits add value and enrichment to our school curriculum and are an enjoyable aspect of a student's journey through school. We will continue to plan school visits for the 2020-21 academic year, which we aim to offer to parents at the start of the school year.

Yours sincerely,

L MaClaren
