Dear Parent

9th October 2020

Chromebook Learning Project

I am writing to you to inform you of a delay in the supply of the Chromebook that you purchased as an optional choice through the Burscough Priory Academy Chromebook for Learning Project. Unfortunately, due to excessive demand for the product nationwide and an issue with production, the order we placed has only been partly fulfilled.

The Chromebooks that have been delivered into school were allocated to Year 7 earlier in the week as the whole year group is taking part in the project. The Year 9, 10 and 11 order has now been fulfilled and these will be distributed at the start of next week.

The delivery schedule from our suppliers indicates that we will receive delivery of the remaining Chromebooks during the week commencing 9th November. We appreciate that this is not ideal but we want to reassure you that we are chasing our suppliers regularly and we will provide you with an update as soon as we receive one.

Thank you for your understanding in this matter.

Yours faithfully
