9th July 2021

Dear Parents,

Year 10 – West Lancashire College Trip - Tuesday 13th July 2021

West Lancashire College are delighted to be offering your son/daughter an opportunity to experience Post-16 courses on Tuesday 13th July 2021.

This an exciting opportunity for our students that we hope will open up possibilities in Post 16 thinking. If nothing else, we hope they will have a fabulous day and a further opportunity to consider subject options and career choices beyond their GCSEs.

Our West Lancashire College trip will involve a 2-hour session where students will find out about vocational courses, A Levels, Apprenticeships and different course areas available. We hope this morning will help them make informed choices when that time comes and possibly stimulate some useful conversations about their Post 16 possibilities.

The day will include a 2 hour session at West Lancashire College, followed by 2 sessions in school in the afternoon. These sessions will give students further information on Apprenticeships as well as information on college courses and Post 16 options. Students will complete a career assessment audit which will provide an indication of a potential career choice.

Date: Tuesday 13th July 2021

Time: 9:25am depart school and 12:35pm arrive back at school.

Lunch: Back at school following usual arrangements.

Clothing: Students can wear their own clothes but are asked to dress appropriately. This also includes face masks which should be worn whilst travelling on the coach and indoors at the event with the exception of when eating and drinking. Mobile phones are not permitted in line with school policy.

LFD Testing: All students will be expected to carry out an LFT test on Sunday evening and register results with both the NHS and school.

COVID Risk Assessments: The College will be spacious with plenty of ventilation. Hand gel will be used on arrival to each area in College and desks/chairs wiped down for each use. Students will remain in school bubbles throughout the day and will need to wear their masks in the college and on transport.
